

Parking Instructions for Metea Valley High School

With this being the first time Maverick Swim Club has hosted a meet at Metea Valley High School we thought we would send out an information sheet with entrance and parking information.

Metea Valley High School is located south of Interstate-88 at 1801 N. Eola Road, Aurora. Below is a map of the school with parking areas marked. Please use the parking on the north side of the building, where the majority of the parking is located as well as the pool entrance. PLEASE NOTE ANYONE PARKING IN THE RED MARKED AREAS WILL BE TICKETED AND TOWED. The school is very serious about this and they will notify the Aurora Police Department for ticketing/towing.

All swimmers and families **MUST** enter and exit the school using **Door #25** which says Aquatics above the door. It is located on the far northeastern corner of the school. Please see the pictures below.

Thank you and we are looking forward to a great meet.
