The vision of Illinois Swimming is to inspire excellence through innovation and leadership.
The mission of Illinois Swimming is to offer our members programs which promote swimming and achieves excellence through education, innovation, and committed leadership.

Operational Risk Report

House of Delegates

October 10th, 2021

Reports of Occurrence

19 Reports of occurrence as of Oct. 6th submitted since Apr 2021.

Please be sure to fill out accident reports on USA Swimming. Filling out the report at the facility is not sufficient for USA Swimming insurance purposes

Here is a list of mandatory certifications:

Coaches: MAAPP, Racing Start certification, Concussion Protocol Training, USADA Coach Advantage Training, Athlete Protection Training, Background Check, STSC and CPR.

Athletes: MAAPP, APT (18+)

Officials: MAAPP, Concussion Protocol Training, APT, Background Check

Non-Athlete Member: MAAPP, APT, Background Check

USA Clubs (document recording/retention responsibility): MAAPP, Racing Start Certification, Report of Occurrence.

Please note that concussion training will not have an expiration date, but that different LSC's might require that the class be done in the last 3 years, for example. Please use the NFHS for concussion training instead of the CDC site. They are the same, but the NFHS is searchable for your certificate should you not print it right away.

USA Swimming Membership status is dependent on compliance with all of the above.

Websites for certificationsRequirements:

MAAPP – www.usaswimming.org/docs/default-source/safe-sportdocuments/maapp/usaswimmingmaapp.pdf

CPT – www.cdc.gov/headsup/youthsports/training/index.html, www.nfhslearn.com/courses/61151/concussion-in-sports

List of State Concussion Requirements: www.usaswimming.org/riskmanagement. In ALL cases, state law requirements for Concussion Protocol Training supersede USA Swimming requirements

USADA Coach Advantage Training – www.usaswimming.org/learn

APT – www.usaswimming.org/learn

Background Checks – www.usaswimming.org/backgroundchecks

Safety Training – https://www.usaswimming.org/news-landing-page/2017/02/21/safety-requirements-for-coaches-(cpr-safety-training-for-coaches)

Nothing further to report

Respectfully Submitted,

Casey Hnatiuk

Operational Risk Chair
