

## Program Fee Information

SWIFT Aquatics' billing is based on:

Short Course Season (Fall-Winter) - 23+ weeks of programming

The billing for each season is adjusted accordingly. These fees are used to pay for coaches' salaries, travel reimbursements, and general operation of the club. The program fee associated with each training group is divided into installments throughout the course of the season.

The following fees **are not** included in the cost of the program:

### USA Swimming Registration

USA Swimming Registration is required for **ALL** training groups. This membership will allow swimmers to compete in USA sanctioned swim meets as well as providing insurance coverage at all practices, meets, and transportation thereto.

### Meet Entries and Entry Fees

Our goal is to INCREASE the number of swimmers attending meets. We are a competitive swim program with the aim of giving each swimmer a chance to show off what they have been working hard at. **Fees associated with swimming in meets are not included in the cost of the program.**

You may use the SWIFT Aquatics website to declare your attendance/entries to which meets you will be attending. Swimmers will not be allowed to participate in any meets if their account is not current. Once the entries have been finalized, you are responsible to pay for any fees associated with the meet. **SWIFT also charges each swimmer an additional \$5 per meet to help pay for relays, administration fees, and travel costs that are incurred throughout the season.**

## Auto Pay Feature - using Debit/Credit Card

SWIFT Aquatics encourages every family to have a current debit / credit card on file. We accept payment by Visa, Mastercard, and Discover. If a credit card failure occurs during the billing cycle, there will be a \$10 fee assessed to your account. First time failures will receive a one-time waiver.

## End of Season - Zero Balance Policy

Upon completion of the season, members must "settle up" their account with SWIFT Aquatics, thus bringing the account balance to \$0.00. Members will not be permitted to continue practicing with the team and will not be entered in any future meets until the account is paid in full.

## 2021-2022 Short Course Program Fees

Our Fall-Winter program fees for the Short Course Season are divided into 6 installments, with the first installment due at registration.

## Multi Swimmer Discount

This discount applies only to training fees. The highest training fee will apply to the first swimmer, each additional family member swimming on the team will receive a 5% discount.

### 2021-2022 Short Course 6 Monthly Installments

Group	1st Swimmer	2nd Swimmer 5% Discount	3rd Swimmer 10% Discount	4th Swimmer 15% Discount
