

Fundraising Fees

Fundraising is one of the primary ways that SWIFT Aquatics can create a reserve of funds used for team incentives, social activities for our membership, and keeping the cost of our program affordable for all SWIFT Aquatics families. The fees alone do not offset the expenses of pool maintenance, additional coaching expenses, and incidental costs incurred in running a competitive swim team.

You will be charged the Fundraising Fee during the registration process.

All SWIFT Aquatics Training Groups:

- \$35 Flat Fundraising Requirement **per swimmer per season, September-March and April-July.**
- \$20 Flat Fundraising Requirement for HS or partial season swimmers.

We will have several fundraising opportunities to pay requirement: Scrip Gift Cards, Affy Tapple, Restaurant Days, See's Valentine Candy, Private Sponsors, etc. You will be paid back the fee or what you have earned pending a zero balance on your account.

What is the Fundraising Money Used For?

1. Incentive programs
2. Luncheons and dinners for swimmers and coaches
3. Awards/trophies
4. Outside events for the swimmers such as Sky High Trampoline, etc
