In Person

Team Facebook Page

Visit the Wheaton Swim Club Facebook fan page where we will be posting the most recent swimming news, fun polls, meet pictures, special event, and meet reminders and team, member, and alumni announcements. This is a fun place to discuss all things Wheaton Swim Club with other members, coaches, alumni, family, neighbors, and friends throughout the swim community. Facebook members who become a "Fan" can keep up with team news and participate within team polls, team surveys and stay connected from where ever they are. Note that you must be logged in to Facebook to see full information. Click the icon below to go to our facebook page.

Team Twitter Account

Our team occasionally has last second updates and/or changes. The short format of the tweet is a defining characteristic of the service, allowing informal collaboration and quick information sharing that provides relief from rising email and IM fatigue. Twitter will allow us to quickly relay weather alerts/facility closures/ practice changes as well as reminders about team events such as the banquet, meet deadlines, new apparel options, registration info, reminders, etc. You have the option to have tweets sent directly to your cell phones! Click the icon below to go to our twitter account.

Team Planning Calendar

We post practice times about five weeks in advance. The team calendar is your number one resource to verify cancellations, changes, etc. Each date will either have a link to the "regular schedule," which indicates there are no changes that day, or have the specific times/changes listed. Last minute changes will also be announced via email or text. Click the icon below to go to our team calendar.

Team Website

To get the *most* detailed information about team functions, meets, or practices, go to the team website. We recommend checking the site as often as possible and becoming familiar with all of its pages. Social media such as Twitter and Facebook are great, but our own website is where we post the most comprehensive team info. Click below to return to our homepage.

Team Emails

We have the ability to send mass emails through the information gathered by our online registration. If you are registered for the current season, you should already be receiving emails semi-regularly. Each account has the ability to designate up to two email addresses. You can also email the coaches directly and we will return your message as soon as possible. Click the icon below to go to our team contacts page.

Team Texts

Text messages can be received through the phone information you provided during your online team registration and through Twitter. In an emergency (such as a winter snow storm) we will send out text updates through our online registration system. You have the option to sign up for texts when you join the team. If you would like to add or delete this option, please contact the coaches. By following Wheaton Swim Club on Twitter, you have the option to add/delete text updates on your own. See above for the kind of information we post to Twitter.

Office Phone

Feel like having a phone conversation? Call the office phone at 630-752-5770. We will return your call as soon as possible. Be sure to leave your name and number, the best time to call you back, and a brief message. Click the icon to link to our contact info page.

In Person Meetings

Prefer to meet face-to-face? Contact the coaching staff to set up an appointment. We try to schedule meetings before or after practices, but many times a coach needs to go directly from one practice group to another. Please do not approach a coach during practice except in emergency situations.
