

Long Course (LC) 2020 Registration Information

Long Course consists of 3 sessions with start dates of April 14, May 11, and June 15.

You can sign your swimmer up for 1, 2 or all 3 sessions.

Be advised that during SC Fall Winter Season every group filled and waiting lists were created. Based on the SC membership combined with the amount of interest we have already from new swimmers interested in joining the team we anticipate having to close membership earlier than ever before. We highly recommend signing up when registration opens. Once groups fill, we cannot guarantee a spot for your swimmer.
