

JANUARY 4, 2022

2022 IS HERE

2022 arrived amidst a HUGE uptick of COVID positive cases. Team Y2K will continue to try to provide a safe space for your swimmers to get in the water and train. We are guided by USA SWIM and ILS swimming, both organizations following CDC guidelines.

SWIMMERS need to be diligent about arriving and departing **WITH MASKS ON**. Masks stay on before and after practice—especially while in the bleachers. Masks must be worn even if swimmer is heading to the hallway rest rooms. Please **HELP** us—by making sure your swimmer has a mask before getting out of the car. Swimmers should know—that we have **EXTRA** masks available at the pool...as well as masks available at the **FEN** front desk.

SWIMMERS should not attend practice if :

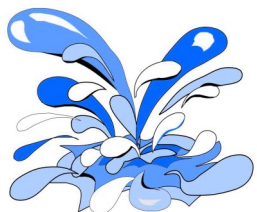

- they are experiencing **ANY** Covid symptoms.
- if they should be quarantining due to exposure or positive tests.
- if you are uncomfortable with sending them to the pool.

We are taking attendance so have a record of who is at practice. If we receive info that a swimmer has tested positive, and has attended practice - that info will be shared with practice groups affected. We have posted **EXPOSURE** protocols on the website and are happy to answer any questions/concerns you may have. **STAY SAFE!**

ODDS AND ENDS

PERSONALIZED LATEX CAPS have **FINALLY** arrived. I apologize for the delay. If you placed an order - you can find them in your family folder.

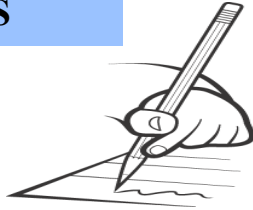

TEAM PARKAs should ship **NEXT WEEK**. When I get them—I will **ALERT** you **ASAP**.
