ELKHART-FUL SWIMS

30 swimmers and their families made the trek to ELKHART IND this past weekend to participate in the TIM WELSH Invite. This was a PRELIM/FINAL meet: 11& overs swam in the AM session, with the top 20 returning to compete in FINALS in the evening. The 10&unders swam in the afternoon between PreLims & Finals! This was a NEW experience for MOST! GREAT LEARNING –as well as an opportunity to bond with teammates. I HOPE WE MAKE this an annual event!

CROWD CONTROL

Team

Millennium is committed to keeping our swimmers in the water as SAFELY as possible. We have identified our most crowded times and are asking our 12&under groups to bow out one night a week. This should keep swimmers to about 3 per lane. This also helps us with holes in our staff (as they arise).

Below find the Crowd Control outline that was shared via EBLAST this week. This will be in place THROUGH JANUARY. You do not need to alert us to your choice – and you can choose a different day to skip each week.

PLEASE DO NOT ATTEND ANY day – that you are NOT feeling well, should be quarantining – OR are uncomfortable being in the pool setting.

We thank you for your understanding and support!
