## THANKFUL TIME TRIAL

FUN and FAST swimming at FENWICK last Saturday! LOTS of swimmers showing up to RACE! LOTS of new BEST TIMES and new events! We try to highlight BESTTIMES and time drops—but please celebrate other feats that are harder to measure...like your swimmers FIRST flip turn; FIRST 50 or 100 or 200 yard race; mastering a legal breaststroke/butterfly! So many ways these swimmers are showing PROGRESS!

As we enter this Season of Thanks - Team Y2K is very thankful for:

- families that supported us as we trekked to Oak-Brook, Bensenville & Westmont this time last year!
- being back *training* in the Oak Park area!
- Officials that volunteer their time so that we can offer these meets
- Families that volunteer to help us on deck for these TIME TRIAL meets.
- LANES full of enthusiastic and motivated swimmers.
