

## Brownsburg High School Athletic Department

### Contest Travel Release

The Department of Athletics values the importance of a team traveling to and from a contest together. Traditionally, we take great pride in our student athletes building comradery and relationships on bus trips. COVID-19 has continually presented us with different issues to which we must operate differently. With the potential close contact issues traveling on a bus may present, we have decided to present parents/guardians with the opportunity to have their student athlete travel with them to and from events. Student athletes must have this submitted to their head coach 48 hours prior to the trip. Student athletes must depart from the school with their parents/guardian at the time of the bus departure. We believe that providing this opportunity allows another option for our student athletes to be safe and continue our athletic seasons.

I certify that I am personally transporting the above named student, or have arranged for transportation with an adult (non-student) of my choosing for this student.

I understand that the Brownsburg High School Athletic rules typically require that students ride the buses to and from all athletic events and a departure from this requirement will release the Brownsburg Community School Corporation from all liability for any adverse results that may occur. I agree to release the Brownsburg Community School Corporation and its employees and officers from all liability with reference to the above stated transportation. This form must be on file in the athletic office 48 hours prior to the contest.
