

DeckPass is a FREE online platform that tracks swimmers' times and rewards them with digital incentives. USA Swimming members can track their best times, set goals, check their IMX scores and earn digital patches for their achievements. All swimmers can track their times via the log book and also set personal goals.

Incentives:

- For Swimmers: Earn digital patches for competing --automatically! Check your verified IMX scores, best times, recent meets and rankings. Connect with your friends.
- For Coaches: Award digital patches to your swimmers. Get Our team's times, scores and ranks. Get USA Swimming information on events, meetings, certifications and results.
- For Everyone: Fill out your logbook and earn digital patches for competing! Set goals for the season and keep track of your progress. Parents - connect with your kids!

How do I get it?

- Anyone can register for a Deck Pass account. Just log-in to www.usaswimming.org/deckpass . Once you sign - up, you'll need to connect your account to your USA Swimming membership in order for your times to show up on your Scoreboard.
- Deck Pass for Parents too! As a parent, you can have a Deck Pass account. You are able to either link your account to your kid's account to follow their swimming progress or you can always create your own Deck Pass page. However, you can only link one child to each Deck Pass account, but you are welcome to set up multiple accounts on USA Swimming to link each of your swimmers!
