

## **SKYPOINT TRANSIT INVITATIONAL - PARENT/SPECTATOR CHECKLIST**

>Parking for the meet will be in the lot east of the building. The parking lots south of the building (adjacent to the building) are for Beacon members only. Please see the map posted on the meet website.

>As of Wednesday November 11, spectators will be permitted as outlined below. Please be aware that this could change based upon directives from the State of Indiana, Elkhart County or facility management.

>Spectators may enter the building beginning 15 minutes prior to the meet start time for that session (note - start of events, not the start of warmups). This means you will be dropping your athlete off for warmups, and entering the building later. There is a limit of one spectator per athlete entered in that session. Entrance to the building will be the front entrance on the southeast corner. Please check the schedule of arrival times and warm-up times on the meet website.

>Masks must be worn at all times while in the building, including the spectator gallery, the atrium lobby, at concessions, or the apparel vendor.

>Seating in the spectator gallery must be social distanced. Please leave a minimum of 2 empty seats in all directions between anyone not residing in your household. There are 1200 seats in the gallery, so it should not be an issue to keep sufficient distance.

>The spectator gallery will be cleared at the end of each session. All spectators must depart the building. Please do not wait in the lobby for your athlete - you will need to have them meet you outside at your vehicle in the parking lot.

>There are no admission fees for this meet.

>The meet will be preseeded. Heat sheets will be posted on the meet website as well as on Meet Mobile. Finals heat sheets will be posted on the meet website after scratches.

>There will be a limited selection of concession items available for sale in the lobby. There will also be an apparel vendor in the lobby. We appreciate your support of these areas.

>Meet Website: [www.concordswimclub.org](http://www.concordswimclub.org) - click on the green SKYPOINT INFO button.

>Please note, meet volunteers will be entering on the backside of the building (river side) using the door on the patio.
