Silver Spotlight

We will be coordinating with the Humane Society of Hobart for a Barracudas Give Back project. A list of requested items will be sent to all club members. Dates for the drive to follow, so please keep an eye out for the email with details. It will be sometime in June that we will start collecting. Save the date for our annual summer party! This year will be a bit different than years past. The party will be Sunday, August 15 at Redar Park in Schererville. The Munster outdoor pool was unavailable to us this year. Stay tuned for more details, but be sure to mark your calendars!

Bronze Business

Hey there swimmers and parents! Last month we talked about Divisional and State times. Just wanted to let you know to make sure you keep and eye out on those away meets. For those of you who have swimmers who aren't too comfy with the change to long course this season, the Highland Invite (June 18-20) is 25 yards!! I know my kiddos preferred the short course when they were younger and they both love to swim at Highland. Just FYI.....If they do swim Highland, and get a qualifying time, it'll count for Divisionals in March 2021. Happy swimming!!

Coaches Quips

Summer Season goes fast, as all swimmers know, so it is crucial that swimmers come to practice as often as possible. Coaches know that summers are busy with many activities and vacations, but we encourage swimmers to come to practice as often as possible, if they want to be competitive at the end of the season.

It is easy to make the choice to miss practice when it is sunny and 85, much easier than when it is 0 and snow covers the ground! However, when has the easy choice been what is best for you to become the best swimmer you can be? Practice is hard.

Taking that first leap into the cold water is hard. Swimming your sets to the best of your ability is hard. Your coaches realize this and work each day to help create the circumstances where you can be your best! The secret is.....you have to make the hard choice to come to practice!
See you at the pool,
Coach Adam
