

## **Lebanon Swim Club Committees – 6 people per committee**

**The Lebanon Swim Club Board has decided it is time that we have to get more people involved in the club operations. As you look at other clubs in the area, they mandate that a family member of each swimmer participate in a club committee or duty or they are charged a fee. They do this because it is very hard to run a good swim club with very few people.**

**The Lebanon Swim Club is no different. Right now, all meet planning, awards, social parties, sponsorship, billing, coaching, ordering club gear, and organizing lessons among other duties are all done by a select few people namely 5. Our club is growing and we cannot sustain this. Because of the growing pains, the Board has decided to implement what other clubs are doing. Below you will find 6 committees we would like to form and get off the ground. We would like 6-7 people on each and that would include every family of the club. You can opt out of the committee structure and duties for a payment of \$100 per year. Otherwise we ask you pick a committee and it is first come first serve, so once one is full with 6, we will ask you choose another.**

### Meet Planning/Mentoring

This committee helps coordinate with families new to club swimming to help orient them towards how swim meets work. This committee will also coordinate any home meets once the club starts to host its own meets during the next couple of years.

### Post Meet Recognition/Communication/Awards

This committee will help to organize the ribbons/medals after a meet and then also work with the coaches on recognizing those that had a great meet. Could be records were broken. Could be lifetime best times, etc. We want to get in a habit of recognizing the swimmers more and need a committee to own this process.

### Social Committee

This committee will be in charge of lining up pool parties, swim club outings, etc. We need to get in a habit of doing more as a club. This could include a movie night as a club or a park picnic, or a cookout one evening after practice, etc.

### Club Gear

This committee will in charge of helping to promote club gear. This could be T-shirts, caps, suits, or any neat apparel we find out there with our logo on them. The goal is to get more promotional and come up with some great ideas for the club!

### Lessons Committee

This committee will help the coaches organize swim lessons and assist with the process. We are seeing a tremendous growth in lessons which will in turn feed the swim club new swimmers. We will need help organizing the names, help with the check-in and just make this more seamless. We also will be needing more promotion ideas for our lessons programs.

### Sponsorships/Fundraising

This committee will help find sponsors and way to fundraise for the club. We need more outreach and help reaching companies and individuals in the community. Right now this is done by 1 to 2 people and it is very hard to do.
