

Team Indiana Welcome Letter - Multicultural Camp and Meet

Hello All,

My name is Kyle Johnson and I have been selected to be the Head Coach for the 2022 Team Indiana Multicultural Camp and Meet. I am truly humbled and blessed to have this opportunity.

As an LSC, we strive for greatness from our swimmers. And because of this, we have some of the best competitors in the nation ranging from age group to collegiate and now even professional swimmers. In an effort to continue this level of success, we would like to offer more camps and opportunities for swimmers of all talent levels to give them the opportunity to see what it is like to achieve at the highest levels.

With that, the LSC has proposed a revival of our Multicultural Camp and Meet! These events would occur on the same weekend (June 10 for the camp, June 11-12 for the meet) and all at the new Deaconess Aquatic Center in Evansville, IN. With access to one of the best facilities in the state, we hope to make this an incredible experience for all who participate. Additionally, Dr. Gary Sailes will be presenting to the athletes at the camp in order to allow them to understand what it is like to be a person of color in a sport where they are underrepresented. Gary Sailes, Ph.D., is a professor at Indiana University and sports performance consultant. His list of clients include athletes and teams from the US and internationally who compete in the NBA, MLB, NFL, NCAA, IHSAA, professional tennis and golf. His clients have won numerous championships in multiple sports at various levels of competition around the globe.

However, we need your help! It is our goal to make this an annual camp that is impactful and fulfilling to the participants and coaches. As a coach, you can help by being on the Team Indiana coaching staff and by spreading the word to your athletes about the camp. ***All applicants must have achieved a National "B" Time Standard to participate.** Our goal is to get the largest amount of Team Indiana participants in LSC history for this camp and meet!
