

2020

Sponsorship Opportunities

FISH is a USA Swimming year-round competitive swim team in the greater Lafayette area. We train all levels of swimming from Learn to Swim to Championship athletes. The goal of our team is to provide every member an opportunity to improve swimming skills and achieve success at his or her level of swimming.

Our goal is to provide the **highest-level coaching** at the **most affordable price** for our swim families.

In order to do that, **we need the help of local community partners** to sponsor our club.

FISH maintains an active social media profile, and has over 100 registered swimmers. As a corporate sponsor, you'll have visibility throughout our website, social media platforms, and at our swim meets and practice sessions. We are a 501c3 organization, so a portion of your sponsorship may be tax deductible. More importantly, you'll be a key part in helping to keep our program affordable for kids of all ages who are passionate about swimming.

Thank you for your support!
