CLUB INFORMATION

- Congratulations to all our swimmers on a successful short course season! Way to make Noblesville proud!
- We are so excited to welcome two new 10 & under coaches, Abby Maroney and Lina Caudill, to the Noblesville Swim Club's staff! Abby will be the lead coach for the Voyager Gold group and Lina will be the lead coach for the Discovery group. Welcome Abby and Lina!
- We have recently launched a Junior Coaching program here at Noblesville Swim Club that allows high school kids to get certified as a coach and work alongside a lead coach within our age group program. With the size of the Discovery group and the wide range of skills across the board, we feel this will be a great asset to have as we move forward. We have 4-5 Junior Coaches joining our staff and there will be at least two of them present alongside the lead coach at every practice moving forward.

BOARD OF DIRECTORS

- For the past two and a half years, Jeremy Cox has been an important member of the Board of Directors for the Noblesville Swim Club. His son Tyler has decided to finish his swimming career at the end of his senior year and because Jeremy will not have a swimmer on the team, he will no longer be eligible to serve on the Board. At our March 16th board meeting, Jessica Armstrong was elected by a majority vote of the remaining Directors (per the club by laws) and will serve on the Board of Directors as Member at Large until the general election is held in August. Jeremy, we thank you for your service and appreciate all you have done for the club!
- We are finalizing spirit wear for the Long Course Season and plan to have details out to families just after Spring Break.
