## CLUB INFORMATION

- All 10 & under families should have received an email from Coach Breanna describing the 10 & under virtual plan. This plan will take 10 & under swimmers through the end of December, which is when we hope to have more information on re-entry. Please reach out if you did not receive this email!
- As part of the sponsorship package with Dick's Sporting Goods and Forest Park, our team has been given 10% off coupons to be used between Friday, December 11 and Sunday, December 13.
- As soon as spirit wear arrives, there will be an email sent out and a Facebook post with pick up times at the High School.
- Just a reminder to families that the club's Facebook group should be used to celebrate our club and share information. If someone has a concern, they should bring it to one of the coaches or board members. These email addresses are listed on the club's website.

## BOARD OF DIRECTORS

Highlights from our November meeting:

- The whole team Christmas party will not take place this year. Individual practice groups will likely plan a small celebration to occur during one of their regularly scheduled practice times. The 10 & unders will have holiday treats brought to them.
- Succession plan for the Volunteer Chair position. In the event that we do have another swim meet, it would be good to have a family/group of two people interested so we could use the meet as training.
- It has been suggested that we approve board meeting minutes prior to our next board meeting so they can be posted on the website. We hope this will be another way to improve communication.
