

**New Swimmer Registration and skill evaluation will be held at
JHS pool on Aug 3rd & 4th from 5:30p – 6:30p.**

We will have your swimmer in the pool to evaluate current comfort and stroke. This is not a try-out, we are doing this to place your swimmer with the correct practice group. You will have the chance to meet and ask questions of Pace board members and coaching staff.

You can register ONLINE and pay our upfront fees by visiting www.swimpace.org and clicking on Online Registration. You can choose to fill out paperwork onsite as well.

If you have never been registered with USA Swimming, **we will need a copy of swimmer's birth certificate or passport** as required by USA Swimming.

Fees due for registration are a \$75 annual administrative fee per family, and a \$81 USA Swimming fee per swimmer.

Any questions about USA Swimming, Pace, or registration, email registration@swimpace.org

Financial assistance available – email for info!
