

SAFETY EXPECTATIONS

- Patrons / Athletes will only be permitted to enter the building 5 minutes before their scheduled time slot. If they arrive early, they must wait in their car until the appropriate time to enter the building.
- Patrons / Athletes must leave CAC / CHS immediately at the completion of their activity.
- Parents/spectators will not be allowed in the building at any time and are expected to practice social distancing when waiting for their swimmer or loved one. CAC Camera Recordings will be available anytime there is an issue.
- Door 11 will be used for entrance and exit.
- Everyone should be prepared to arrive and depart in their suits, no Locker Rooms available.
- **Everyone should have their temperature checked prior to arrival and will not be permitted to enter should they have a fever of 100.4F or higher.** This will be attested to once you submit your booking and agree to the terms of service.
- Restroom breaks will be limited to the community locker rooms with no access to the locker areas, or any of the other locker rooms around the Aquatic Center.
- There will be a grid area for patrons / athletes to leave their personal belongings to ensure social distancing on the deck or benches around the pool. We will not offer any bleachers!
- Everyone should bring their own water bottles (already filled). Use of the water fountains at the facility will be prohibited, and taped off and signage posted.
- During CAC phase 1 no equipment will be permitted, once we enter phase 4 of the Indiana Back to work plan, equipment will be permitted but bags will not be stored on site. Aerobics Equipment will be loaned to each individual and must be taken home with them after each visit where it should be sterilized before returning for the next visit.
- CAC and SCSC Staff will be wearing PPE masks throughout Phase 1. We encourage anyone entering the building at CHS to do the same. This will also be agreed to at Registration.
- All Lap Swimming including SCSC Practices will swim with a maximum of two (2) athletes per lane, starting from opposite ends of the pool per USA Swimming guidelines. Please note that in most cases, we will be able to swim one (1) per lane, also starting from opposite ends of the pool (please see the attached diagram)
- **Anyone experiencing or shows visible signs or symptoms of a fever (100.4°F or higher), recent cough, unusual fatigue, headache or has had any exposure to someone who has any symptoms, (which includes family and friends) should remain at home and seek medical treatment. If any patron or staff does have a fever or symptoms of illnesses, they may not attend any activities at CAC until 14 days after the fever or symptoms has ceased. Patrons and staff must see a physician and be cleared for activity after being diagnosed or suspected to have COVID-19.**
- For us all to stay healthy and be able to keep swimming, we ask all patrons / athletes to please practice responsible social distancing when they are away from the pool as well.
- CAC staff will be disinfecting between sessions using SSC supplies and check list

of places to clean throughout the day and we will provide disinfecting wipes inside the restrooms as well. Additionally, SSC will be disinfecting twice daily with an OSHA / CDC approved disinfectant.

POSITIVE TEST PROCEDURE

Should someone test positive for Covid-19 the following measures will take place:

1. The individual should let the staff know immediately. VIA email or phone
2. The individual or individuals swimming on either side of that athlete will be expected to self- quarantine for 14 days and/or receive a negative COVID-19 Test [we will be assigning lanes via Omnify scheduling services].
3. The facility will also be shut down for no less than 24 hours to deep clean.
