Actual relay teams and swimming order may be modified via the submission of relay cards. (See relay card section below.) The Entry Chair will not accept relay teams entered without names.
- Your electronic entry file must include all team information regarding your coach's name/s, team address, team phone number and team email address. Those teams that do not include this information will not be accepted into the meet until all of the required information is provided.

- Past support of other WTSC Meets (not State Championships)
- Number of officials volunteering to assist with officiating the meet
- Balance of age groups and gender in entry

Any athlete entered after this date will be considered late and will incur deck entry fees. Late entries will be at the sole discretion of Meet Entry Chair. Late entries will not be added if they will unduly extend the meet.

- Keep the original Entry Report WTSC sent to you along with all subsequent Entry Reports notifying you of changed or update entries. These are the official record of your team's entry. No refunds or changes will be made to your team's entry due to your failure to review reports sent to you by WTSC.
- Please email the following to: [MeetEntry@wtscswim.org](mailto:MeetEntry@wtscswim.org) so it will be received by the Entry Chair on or before **5:00 PM EDT June 7, 2019:**

- WTSC will refund entry fees for heat-limited events
- Spectators not volunteering will be charged admission

#### **Entry Limitations:**

Swimmers are limited to five (5) events per day. WTSC reserves the right to limit select events during all sessions if deemed necessary to keep session within reasonable time line.

**Friday Evening Events:** Meet Entry Chair may establish cuts for Friday night events to keep session within reasonable time line. No time updates or additional entries to Friday evening events will be accepted after cuts are announced. If time line permits, host team may add heats in limited events solely for host team swimmers who do not meet cut. Swimmers cut from all events on Friday evening do not need to report to pool. Swimmers who miss cuts due to an entry error that was not reported to WTSC prior to deadline for changes will not be added to limited events.

**Saturday and Sunday Events:** WTSC reserves right to limit select events during all sessions if deemed necessary to complete session/s within requirements of Indiana Swimming rules. No time updates or additional entries to any limited events will be accepted after cuts are announced. WTSC swimmers will be subject to same cuts and will not be added after cuts are announced. Swimmers who miss cuts due to an entry error that was not reported to WTSC prior to deadline for changes will not be added to limited events.

**Psych Sheets:** Psych Sheets for limited events will be e-mailed to participating clubs on or before **June 11, 2019**. They will also be posted to WTSC web site at: [www.wtscswim.org](http://www.wtscswim.org). Failure by a coach or parent to determine if a swimmer has been cut is not an accepted excuse. Swimmers who have been cut may not swim.

**Fly-Over Starts:** Fly-Over starts may be used for this meet.

**Session Start Times:** WTSC may request ability to adjust start times of warm-ups or competition to be either earlier or later than published times as dictated by number of entries received and to coincide with Indiana Swimming recommendations. If start times are adjusted, team representatives will be notified via email on or before **June 12, 2019**.

**Swimmer Eligibility:** Swimmers must be registered with USA Swimming to be accepted into this meet. The swimmer's age as of **the first day of the meet June 14, 2019**, will determine eligibility for age group events. Current and correct Swimming ID numbers must be supplied with every swimmer entry. (Foreign athletes not currently registered with USA Swimming should submit the registration number assigned to them by their

country's FINA member organization.) Athletes without proper registration will be denied participation in the meet. Indiana Swimming does not process on-site registrations.

### **USA Swimming Rules:**

- **Supervision Rules:** (202.5.3) At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. The Meet Director or Meet Referee may assist in making arrangements for such supervision, but it is the swimmer's responsibility to make such arrangements prior to the start of the meet.

"Any swimmer entered in the meet, must be certified by a USA Swimming-member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement."

- **Swimsuit Rules:** (102.0.1.b) Competitors must wear only one swimsuit in one or two pieces, except as provided in (205.10.1.) Swimsuits shall be made from textile materials. For men, the swimsuit should not extend above the navel nor below knees, and for women, shall not cover the neck, extend past shoulder, nor extend below the knee. The referee has the authority to bar offenders from competition until they comply with the rule.
- Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.
- Deck changes are prohibited.
- **202.4.9 J:** Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open-ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present. Exceptions may be granted with prior written approval by the Program Operations Vice Chair.

**Distance Events:** Swimmers competing in the 800 free must provide their **own lap counter and timer.**

**Check-In:** This is a positive check in meet. Any changes or deck entries made after the seeding will be made to empty lanes in the first heat of an event. If there are no empty lanes, additional heat/s at the beginning of event may be added at the sole discretion of Meet Directors and Meet Referee, provided the timeline will allow. The only reason that an event may be re-seeded would be a mistake made by host club. Re-seeds will be announced and posted prior to the event.

**Awards:** Awards will be given for the top 16 places in each individual event in age group 8 & under, 9-10, 11-12 and 13-14, 15&over. No events will be scored as multi-age events. Awards not picked up at end of meet will not be mailed.

**Final Results:** Within three days of the conclusion of the meet, WTSC will email the designated Club Contact (and others upon request) the following results files: Hy-tek Meet Manager Back up (Swmbkup.zip); Hy-tek Team Manager Results (CL2); and Text file (Html and/or PDF). Any team wishing a hard copy of the results should indicate accordingly in the "Special Requests" sections of the on-line entry form.

**Coach Eligibility:** Coaches and Officials MUST display their current USA Swimming coach credential or Deck Pass to gain deck access. The meet referee and/or meet director reserves the right to ask for coach credential or Deck Pass and/or deny deck access if coach does not comply or card is no longer valid/current.

**Facility rules:** Please do not tape posters, placards, signs or banners to painted surfaces, use tiled surfaces only. Violations will be subject to damages payable to NCHS Natatorium. No damage or vandalism to property. Keep all trash picked up. No balloons in pool area. No smoking or tobacco allowed in Natatorium or on school

premises including parking lots. Keep out of unauthorized areas, any place other than the lobby, seating area, pool deck, and designated camping areas. Only swimmers competing in current session, coaches of entered teams, officials and volunteers working current session will be allowed on deck. Refrain from flash photography during race starts.

**Guest Volunteers & Volunteer Sheet: Each visiting team will be required to provide volunteers to time swimmers for up to, but not exceed, two sessions. Coaches will be notified no later than June 7, 2019 of the number of volunteers needed.** (See the end of this meet letter for both the Officials and Time Volunteer Sheets.)
