

AmazonSmile

Alligator Aquatics has an AmazonSmile account! If you don't know what AmazonSmile is, it is Amazon's way of giving back to the individual user's not-for-profit of choice. What is our not-for-profit of choice? **ALLIGATOR AQUATICS!**

Q: How do you shop with Amazon smile?

A: First, you must shop through the website: www.smile.amazon.com. Instead of typing in Amazon on your web browser like you normally when you go to purchase anything, type smile.amazon.com. Make it a bookmark so you always go to this browser. (Mentally throw away the other browser forever!)

<https://smile.amazon.com/>

Q: What do I do after I am in smile.amazon.com? How do I make sure my purchase credit goes to Alligator Aquatics?

A: Once you are inside smile.amazon.com, you should see your normal menu list. (AmazonSmile should have your same name, same account). Under the Hello, "Alligator Parent's/Grandparents/Aunt/Uncle/Best Friend that loves watching Johnny swim's Name" drop down menu, go to Your Lists, and then click AmazonSmile Charity Lists. You can either type in Alligator Aquatics in the search bar, or you can click on Education and Youth and find Alligator Aquatics that way. Choose Alligator Aquatics. It will now show that your charity of choice is Alligator Aquatics. Confirm this when you go back to the main shopping page on the top left-hand side under AmazonSmile, it should show, Supporting: Alligator Aquatics (if it doesn't, feel free to contact me via email: fundraising@alligatoraquatics.org)

Q: I buy stuff on Amazon when I am on my phone. How do I get Amazon on my phone?

A: Good question! Once you have joined AmazonSmile on your computer, here is how to add it to your mobile device:

FINAL STEP:

Don't forget: Once you have successfully made your first purchase via AmazonSmile, the final step is to forward this information sheet to your son or daughter's swimming cheer squad. Who do you send out those swim videos and pictures to? Who cheers for and congratulates your swimmer? It's great if Alligator mom and dad use AmazonSmile, but so much better when Grandma Sue, Aunt Sally, Uncle Joe, and Godfather Bill all buy holiday presents and everyday items through AmazonSmile with Alligator Aquatics as their not-for-profit of choice! Ok, good luck, and let's see the \$\$ start rolling in!
