

## Fall Classic

We would like to thank you all for that you have put in for making our Fall Classic meet a success. Our meets are very important to the club and your donation of time through volunteering helped our event to run smoothly. Thank you also for donating food items for our concession stand and hospitality room. We received many compliments on our meet from visiting coaches and parents and the pats on the back should go to all of you. Thank you.

## Celebrating 30 YEARS...

Avon Community Swim Team has been in place for 30 years. Since its inception in 1986, ACST has served the competitive swimming needs of Avon and the surrounding communities. There are no residency restrictions. Anyone may join! Without the help of the board of directors, coaches, swimmers, parents and volunteers, it would not have been possible. We have always had the best volunteers around. We are known to have one of the best hospitality rooms in swim meets. Again, none of these would have been possible without all of your help. Thank you!

An advertisement for Hendricks Regional Health. It features a photograph of a person's back being massaged by a physical therapist. The text "Relieve" is written in a cursive font above "ACHES AND PAINS" in a large, bold, white sans-serif font. Below this, it says "Start with a physical therapist today". The Hendricks Regional Health logo is in the bottom right corner. At the bottom, there is a small block of text: "Everyone experiences occasional aches and pains. But chronic or acute pain, tenderness, weakness or limited range of motion shouldn't be ignored. Indiana's direct access law allows you to go directly to a physical therapist for evaluation and treatment without the added step of a doctor's referral. If additional care is needed, our therapists work closely with orthopedic and sports medicine specialists, as well as your primary care physician. Schedule an evaluation at one of our four locations: Avon, Brownsburg, Danville and Plainfield. Call (317) 204-2061 or visit HENDRICKS.ORG/RELIEF."
