

APRIL 5TH, 7TH, 8TH BY APPOINTMENT ONLY ACST DEVELOPMENTAL EVALUATIONS AND REGISTRATION

Learn to Swim and Developmental Lessons

Is your child at least 5 years old and interested in learning to swim or potentially swimming competitively? Then check out Avon Community Swim Team!

We have re-organized our developmental schedule to allow for better social distancing, and more direct instructor interaction to ensure your swimmer gets the most out of each session.

We will be holding swim evaluations (for new swimmers) on April 5th, 7th and 8th by appointment only for those who are interested in our learn to swim or competitive programs. Once an evaluation is completed, your swimmer will be placed in a group according to skill set. From there, you may register your swimmer when registration opens April 8th at 9am. Please note we have limited spots for each session and will register on a first come first serve basis.

The schedule and new rates for developmental will be listed as follows:

- **Developmental: 1 evening per week** for 30 minutes one on one with instructor. May schedule Monday, Wednesday, or Thursday from 5:30-6:00 or 6:00-6:30.
 - \$60 ACST Developmental Monthly Lesson Fee
 - \$10 Annual Insurance Fee
 - Multi-swimmer and family assistance discounts available.
- **Competitive: 3 to 5 evenings** per week and Saturday mornings depending on skill level. Please see the Competitive Swim information at <https://www.teamunify.com/team/isacst/page/competitive-swim> for more group descriptions and pricing.

Please note, each child in the developmental program will only be permitted one spectator per practice; other children/spectators will not be allowed. All attendees must wear a mask and sign a Covid-19 waiver, and each swimmer will have their temperature taken prior to practice each day.

If you are interested in scheduling an appointment for an evaluation or have questions, please contact developmental@acstswim.org with the day you are interested in attending. Registration information will be provided at the end of your child's evaluation. We hope to see you at the pool!
