

The Piranha Swim Club, now celebrating its eleventh year, supports local youth by providing a top-quality program in which athletes can develop and grow their skills and character. We provide a safe and supportive environment that promotes swimming as a lifelong sport, and we strive to empower every swimmer, regardless of age or ability, to reach their highest potential both inside and outside of the swimming pool.

PSC parents help support our club by volunteering their time and organizing fundraising activities, but as the club continues to grow it demands more coaches and resources to function. Sponsorships are essential to allow us to support these increased demands and to continue providing opportunities for swimmers of all backgrounds, experience and capabilities.

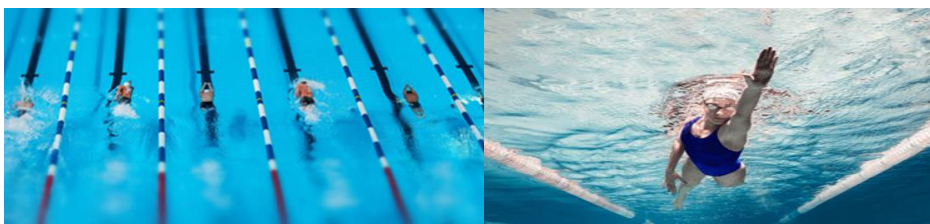

The COVID-19 pandemic has introduced additional challenges and hardship for many, including our club and those from whom we seek sponsorship. However, youth programs like PSC are increasingly important during these times because they offer a safe and healthy outlet for our kids. Please consider helping us meet the growing needs of our program by sponsoring a club that is focused on developing the competitive spirit, pride, and character of young athletes in our community.

Due to the financial impacts of COVID-19 and the uncertainty of our club event schedule, we're no longer offering pre-defined sponsorship packages. We will accept a donation for any amount you're able to contribute. In return, we will add your business name and/or logo to our website and all hosted meet programs.

We sincerely thank you for taking the time to consider a sponsorship of the Piranha Swim Club and look forward to hearing from you. If you have any questions, please contact Tom Chiles at 586-365-9490 or email Tom at tkchiles@gmail.com.

Warmest regards,

The Piranhas Board of Directors
