## CATS AQUATIC TEAM

### Registration for New Swimmers-

Congratulations on qualifying the CATS Aquatic Team. Your next step in becoming a part of our organization is to register using our online registration platform!

To register go to our team website [www.cats-aquatics.com](http://www.cats-aquatics.com). Once you are at our home page click the start registration link located on the left side of the screen below the sign in button.

Once in our registration system read the first screen before clicking the register now button. After clicking the register now button you will be taken to a screen that gives two options. As a new member you will choose the option labeled I am not sure I have an account with this team but this is the email I wish to use.

Enter your email address and continue. You will be directed to a page where we need you to fill out your billing information, guardian information, insurance information and any additional emails. Once you have filled in all information you will be able to proceed. Click next and you will be able to add your athletes and all of their information, again we ask everyone to enter all of their information correctly, please note we use this information in identifying our athletes within USA Swimming. When you select your group please choose one of the options for the group your swimmer has qualified for. Once completed please click next.

If you have more than one swimmer to add you will be able to do so after clicking next. If you have a second or third swimmer after clicking next please click the blue button that reads Add another new swimmer. If you are done adding new swimmers choose your method of how you wish to pay.

Once you have chosen your payment method please read and check all boxes with our waivers and other important information. At the bottom of the screen you will input your credit card information and click submit. We encourage all members to use the pay by credit card method rather than paying by check.

After registration is complete we will verify the group you have signed your swimmer up for and we will approve your registration. If you are paying by check we will not approve your registration until we receive your payment.

As new swimmers you will pay an additional \$60 USA Swimming Registration Fee. This will be added on your registration fee. The fees you are paying now do not include any meet fees.

If you have any questions about this process please contact our Head Coach Jeff Arce at [Jeff@cats-aquatics.com](mailto:Jeff@cats-aquatics.com) or by phone at 847-372-1541 you may also contact our Head Senior Coach Vlad Pyshnenko at [Vlad@cats-aquatics.com](mailto:Vlad@cats-aquatics.com).

GO CATS
