

CPHS Pool Safety Protocols

- In Case of a Fire:
 - Swimmers / Coaches / Officials / Volunteers will exit the pool deck via the West side metal doors on the pool deck.
 - Spectators will exit the stands via the staircases (both North & South) and exit the facility via the North end Wellness Center doors (same as entered facility)
- In Case of a Tornado:
 - Coaches / Officials will be moved into the pool office rooms.
 - Spectators / Volunteers / Swimmers will be moved into the pool locker rooms.
- In Case of an Active Shooter:
 - If the shooter is outside of the facility - All in attendance will be locked into the pool deck & stands until situation is resolved.
 - If the shooter is inside of the facility - We will direct all in attendance outside of the facility and to get as far away from the school as possible.
- In event of an emergency that lifeguards or medical personnel need to tend to, the meet will be temporarily halted until the situation is remedied and safe for the meet to continue.
 - We will have two lifeguards monitoring the pool at all times.
 - Please make sure to tell your swimmers that they must listen to the lifeguards in all scenarios so that everyone can remain safe.
