

Welcome to the Crown Point Swim Club! Our club is a USS year-round competitive swim team. The goal of the Crown Point Swim Club is to provide every member an opportunity to improve swimming skills and achieve success at his or her level of ability, from novice to international competitor. All our coaches are members of the American Swim Coaches Association and have access to the most comprehensive training and certification programs. We are a nonprofit club run by its elected Board of Directors which meets each month. All members are welcome at each meeting and encouraged to be involved in team activities and fundraisers. We are constantly growing and training young swimmers to maintain a well-rounded competitive swim team.

Attached are several documents explaining in detail the obligations of joining the Crown Point Swim Club. Please review all documents before signing up your swimmer.
