

Meet Entry Policy 2023-24 Fall/Winter SC Season

- The CPSC Meet Entry sign-up process is via the online system. “Step by step” instructions can be found under the tutorial or FAQ section of our website (www.crownpointswimclub.org).
- All families will be required to input their swimmers’ Meet availability using the online system.
- All fees incurred for each meet will be placed directly on your monthly statement and must be settled immediately upon receipt otherwise they will be subject to a system generated monthly \$25 late fee.
- The CPSC coaching staff chooses all events for swimmers entered in the various dual, invitational, and championship meets which are offered.
- Swimmers may choose which meets/days they will attend and the coaching staff chooses events for them. If you have a question about what meets your swimmer has the ability to compete in, please contact a member of the coaching staff.
- **NO CHANGES WILL BE ACCEPTED AFTER THE STATED DEADLINE.**
- Parents may download meet packets from the meet schedule on our website (www.crownpointswimclub.org). The meet packets contain valuable information on meet sessions (am or pm), cost of events, warm up and meet start times, and location as well as other important information.
- Meet entry reports can be viewed through your family’s online account and will also be posted on the bulletin board at the high school, as soon as possible. If there are any questions concerning these entries, please contact the Head Coach.
- In the event there is a problem with your swimmer competing in a particular event (injury, illness, etc.) or if your swimmer would like to compete in a certain event (a long freestyle or other event that is not usually offered for you swimmer’s age group), please contact the Head Coach ahead of time. The coaching staff will try to accommodate a swimmer’s needs if valid requests are made in advance. The coaching staff will not allow athletes to scratch events on deck at a meet (with the exception of illness or injury). In the event of injury or illness, the swimmer will be scratched from the remainder of the day’s events.
- Fees include, but are not exclusive of, individual event entry fees, Indiana Swimming athlete surcharge fee, relay entry fees, meet administration fees, travel fees, and conference meet fees.
- You are responsible for your meet entry fees even if your child does not swim unless you have removed your child’s availability from the online system before the deadline stated for that meet. Refunds cannot be made to accounts after team registration is processed.
- The average cost for a Fall/Winter Season Invitational is approximately \$30.00/swimmer/meet. Younger/less experienced swimmers would be less, the more advanced/Championship level swimmers may be more.
