

Hello, and welcome to the 2019 Illinois Swimming Summer Regional Championship Meet!

SWIFT Aquatics and Blue Devil Swim Club are happy to welcome you to our community, and are committed to making sure that you have a great time at this weekend's competition.

With many construction projects taking place at Niles North High School this summer, ample parking will be available in the parking lots of the Old Orchard Mall, which is just across Lawler Avenue from the Aquatic Center. The closest lots to the door are Lots F1, F2, and F3, which are denoted by green signs. They are on your right hand side as you proceed south on Lavergne Avenue from Old Orchard Road. On your left hand side are Lots G1, G2, and G3, which are denoted by purple signs. They are closer to the main structures of the mall, but are still just a two minute walk from the door to the facility. You may, if you wish, park in the North lot of the high school, but you will have to walk quite a way to get to the entrance of the facility. We strongly recommend using the Old Orchard lots.

We are very lucky to be in such close proximity to the Old Orchard Mall. Should you wish to enjoy some shopping or dining while you are in our neighborhood, you can walk straight into the mall from the parking lots. Of course, we have our own concession stand conveniently located in the Aquatic Center for you to have a snack, and The Swim Team Store and Oceans Apparel are all here for you to purchase souvenir items and memorabilia, or to beat the heat with a frozen drink!

Please note that there is NO STREET PARKING on Lawler Avenue! If you wish to drop your swimmer off, you may do so, but then please proceed to park in the lots that we have indicated.

We are very excited to have you in our community for this event! Please let us know if there is anything that we can do as your hosts to help you!

Best of luck to all of the athletes competing in this year's Regional Championship meet!

Warmly,

The Parent Advisory Boards of SWAQ and BDSC
