2019 DCST Barb Wire Classic
Saturday, December 12 & Sunday December 13, 2020

After we receive all the entries, we will supply an estimated meet timeline to help your family's plan their weekend. However, we are going to limit the meet to 10 hours. Hence, since we are starting the meet at 8:00 AM each day, we will close the meet once we receive enough entries to have the second session each day finish by 6:00 PM. Hopefully, we can be done prior to 6:00 PM, and we can accommodate everyone's entries. However, if we cannot, entries will be accepted on a first come, first serve basis. So, if you want to guarantee your team is in the meet, please send your entries earlier rather than later. We will begin accepting entries on Wednesday, November 25th at 9:00 AM.

On DCST's web page, www.DCST.org, under the section "DCST Hosted Meets - - > Barb Wire Classic," teams can find a team manager event file. Please download this file to your computer, and then import it into your Team Manager program. Team Manager will automatically create and set-up the meet events for our meet. This will save you the hassle of setting up all of the events, plus it will make sure everyone has the events set-up same. With the 13 and over swimmers swimming as one event, but separated as far as team scoring and awards, entering swimmers can get a little confusing. By importing this file, we should eliminate this confusion. If you have any questions or concerns, please contact Joshua Norek at 815-375-5399 or by email at Jnorek@kishymca.org

This meet will be an approved ISI meet. This means times for USA registered swimmers in this meet will be placed into the USA Swimming SWIMS database. Please note, not everyone will be automatically entered into the SWIMS database. Teams and / or swimmers wanting times from the meet entered into the SWIMS Database must fill out and return the form on page 9 of this packet with their entries by Wednesday, December 2nd. Teams not returning this form will not have swimmers entered into the SWIMS Database.

After all the entries have been received, we will be posting on our web page and emailing out warm-up assignments and a timeline for all sessions.

Looking forward to seeing everyone in December,

Matt Anderson – Senior Coach DCST
