

2013 DCST Barb Wire Classic
Saturday, December 14 & Sunday December 15, 2013

Please note we have made many changes to the meet this year. We have changed the format to mirror the new Illinois YMCA State Meet format. Since this is the first year we will be running this format, we are not exactly sure how the meet will run time wise. Therefore, after we receive the entries, we will supply an estimated meet time line to help your family's plan their weekend. Lastly, we are going to limit the meet to 12 hours. Hence, since we are starting the meet at 8:00 AM each day, we will close the meet once we receive enough entries to have the third session each day finish by 8:00 PM. Hopefully, we can be done prior to 8:00 PM, and we can accommodate everyone's entries. However, if we cannot, entries will be accepted on a first come, first serve basis. So, if you want to guarantee your team is in the meet, please send your entries earlier rather than later. We will begin accepting entries on Wednesday, November 20th at 9:00 AM.

On DCST's web page, www.DCST.org, under the section "DCST Hosted Meets - - > Barb Wire Classic," teams can find a team manager event file. Please download this file to your computer, and then import it into your Team Manager program. Team Manager will automatically create and set-up the meet events up for our meet. This will save you the hassle of setting up all of the events, plus it will make sure everyone has the events set-up same. With the 13 and over swimmers swimming as one event, but separated as far as team scoring and awards, entering swimmer can get a little confusing. By importing this file, we should eliminate this confusion. If you have any questions or concerns, please contact Brian Bickner at (815) 756 - 9577 ext. 28 or by email at dcst@kishymca.org.

This meet will be an approved ISI meet. This means times for USA registered swimmers in this meet will be placed into the USA Swimming SWIMS database. Please note, not everyone will be automatically entered into the SWIMS database. Teams and / or swimmers wanting times from the meet entered into the SWIMS Database must fill out and return the form on page 9 of this packet with their entries by Wednesday, December 4th. Teams not returning this form will not have swimmers entered into the SWIMS Database.

After all the entries have been received, we will be posting on our web page and emailing out warm-up assignments and a timeline for all sessions.

Looking forward to seeing everyone in December,

Brian Bickner - Senior Coach DCST
