

Greenwood Gators Swim Team

2018 Team Packet

Welcome to the Greenwood Gators Swim Team! The information in this packet will introduce you to the Gators. We look forward to working with your swimmer and family throughout this new season!

General Information

The Greenwood Gators Swim Team is a non-profit organization dedicated to teaching young people the sport of competitive swimming. Gators are run by a Board of Directors that consists of parent volunteers and the head coach of the swim team. The team employs a coaching staff that is made up of certified professionals who are dedicated to helping your child be the best swimmer that he or she can be.

Gators conducts two swim seasons each year. The short course season runs September through February and sometimes into March. The long course season runs April through July.

Gators are a member of USA Swimming. USA Swimming is the national governing body for competitive swimming in the United States. It was formed in 1978 with the passage of the Amateur Sports Act specifying that all Olympic sports would be administered independently. Their headquarters is located in Colorado Springs, Colorado at the Olympic Training Center. As the national governing body for the sport, USA Swimming is responsible for the conduct and administration of swimming in the United States. In this capacity, it formulates rules, implements policies and procedures, conducts the national championships, provides our charter and insurance, and selects the athletes that will represent our country in international competition.

Gators offer coaching excellence and consistency in addition to six graduated, integrated training groups ranging from novice (Bronze Beginner) to elite (Platinum) levels of swimming. Most of all, Gators offer its members team spirit and a lot of fun!

Our Facility

All Greenwood Gators members train at the Greenwood High School natatorium located at 615 West Smith Valley Road. The Greenwood Gators, the Greenwood High School swimming and diving teams, and the Greenwood Middle School swimming and diving teams all practice and host meets at the facility.

Although we use the Greenwood High School facilities, Gators are not affiliated with Greenwood Community School Corporation.

Pool Time

Gators offer convenient practice times and good swimmer-per-lane and coach-to-swimmer ratios. Practices are typically offered three to five days a week. This makes it more convenient for younger athletes involved in other activities and sports to attend practice on a consistent basis. The Gators coaching staff encourages swimmers to participate in other activities, especially at a young age. Practice schedules depend on the group in which a swimmer is placed. While we do not require swimmers to attend every practice, we do encourage them to do so in order to train well and reap the maximum benefit offered by the program.

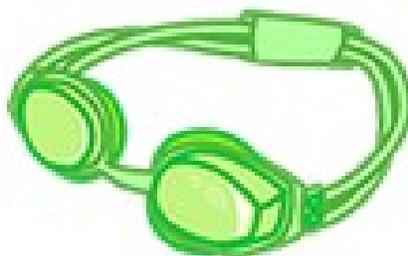

Membership Info

Swimmers may join the Gators Swim Team at any time during our season. Many swimmers begin when their other seasonal activities complete or following completion of Gators Swim Lessons. If you would like to join mid-season, please email the Team Coordinator at greenwoodgators@greenwoodgators.net.

To make the most of your time on the team, coaches requests swimmers be consistent in attendance starting with the first practice at the beginning of the season if that's possible. Most technical instruction will occur during practice in the first few weeks of the swim season!

Gators divides team swimmers into six graduated, integrated training/practice groups. Groups range in ability from novice to elite. Each swimmer is placed in a group by a Gators coach based on his or her current swimming ability and age. Within each group, coaches focus on helping swimmers achieve skill-appropriate goals so each swimmer is able to grow and progress at an individual pace.

GROUP REQUIREMENTS

Bronze Beginner (Bronze B)

Bronze B is our introductory level into competitive swimming. This level is for swimmers who have recently completed our swim lessons program. The swimmers at this level will be introduced to simple training techniques, all while having fun.

Fees and Practice Times

Team Fees

Team fees are due by first day of each month during the swim season. They are set by the club's Board of Directors at the beginning of each season. Fees vary based swim group and are payable by check or credit card. Automatic credit card billing and multiple-swimmer discounts are available.

The Gators are a member of USA Swimming. USA Swimming is the governing body for amateur swimming in the United States. It provides our club insurance to guard against accidents and lawsuits. Every team swimmer **must** have USA Swimming membership before he or she is permitted to participate with the team. You'll register for USA Swimming membership when you register your swimmer with Gators.

The USA Swimming membership fees that cover your swimmer are as follows:

- Yearly: 9.1.17 - 12.31.18 is **\$65**
- Seasonal: Season 1 (Spring/Summer only: 4.1.18 – 8.28.18) is **\$35.50**

The Gators will submit all necessary paperwork to Indiana Swimming/USA Swimming based on the information you provide during registration. Your USA Swimming card will be mailed to your home after your paperwork has been processed.

What to bring to practice

- Swim suit
- Cap & goggles
- Water bottle
- Towel

Practice Parent Expectations

1. All communication with coaches should be done before or after practice. Remain off deck during practice.
2. Once swimmers have started practice refrain from instructing your child.
3. No parents in the locker rooms.
4. Bring your swimmer 10-15 minutes before the practice starts.

Parents Meet Expectations

Meet Attendance: All swimmers are encouraged to attend meets. Swimmers are expected to attend our 2 home meet unless there are extenuating circumstances. Swimmers (or parents) should communicate with coaches this. Events will be selected based upon skill and limited for the younger swimmers.

1. Your conduct should always represent Greenwood Gators positively at all times.
2. Do not expect to talk to your swimmer after their race. Swimmers need to cool down, talk to their coaches, and then they can come see their parent(s).
3. Respect the coaches' ability to lead the team and instruct your swimmer.
4. Team Spirit in the stands would be great but is not a requirement.

Swimmer Practice Expectations

1. You are at practice to get better/faster/stronger - focus in. All dryland should be taken seriously; no goofing around.
2. During practice hours no phones (including dryland and dynamics)
3. Show up 10-15 minutes before your practice starts.
4. No sharing water bottles.
5. Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms or locker rooms. **NO EXCEPTIONS**
6. Make sure you "fill your tank" before practice (at 20-30 minutes before stretching/dryland or warm up). Snacks are okay during practice only after challenging sets or cool down. Please make sure you clean up after yourself if you do eat.

Swimmer Meet Expectations

Meet Attendance: All swimmers are encouraged to attend meets. Swimmers are expected to attend our 2 home meet unless there are extenuating circumstances. Swimmers (or parents) should communicate with coaches this. Events will be selected based upon skill and limited for the younger swimmers.

1. Be engaged in the meet; no playing games on your phone if your teammate is swimming.
2. Cheer for your teammates if they are racing!
3. Team apparel is mandatory at meets: team cap, black suit, t-shirt etc.
4. Always bring a water bottle and healthy snack to keep you fueled on deck.
5. Always be a good sport at all times (to your own teammates and kids from other teams) no matter how you feel about your race.
6. No sharing water bottles.
7. Learn how to read heat sheets - you are responsible for knowing what heat and lane you are in.

Behavioral Consequences

- After being spoken to once we expect you to follow instruction
- 2nd time = warning
- 3rd time = removal from practice
- Consistent removal from practice = phone call to parent(s)
- Continuing removal from practice / distraction / problem = meeting with head coach possibly asked to leave the team

Please review the “Gator Behavioral Expectations and Policies” and also “The Gator Code of Conduct”. ***Separate documents*

The Gator Code of Conduct will need to be signed and returned to your athletes coach.

Team Suits

Team suits are available for purchase.

Our current team suit is an all-black Speedo Endurance. You can purchase it by visiting our Swim Shop on our website through Elsmore Swim Shop.

NOTE- These specific suits are not mandatory. Any black competition suit will be acceptable for swim meets. For practice, your swimmer does not have to wear a team suit. They can wear any competition/training suit regardless of color. Please keep in mind that due to the fact chlorine can fade suits and cause them to wear out faster, it is better for your swimmer **NOT** to wear the suit they will be wearing to meets during practice.

Team Caps

New swimmers will receive a Gator cap during the first week of practice. Additional caps can be purchased. **It is mandatory if your swimmer wears a cap during a meet, that they wear a Gator cap.**

Team Communication Mechanisms

Communication of information is an essential element to a successful season. Please do your part by reading this packet in its entirety, reading the team email blasts and checking the team board.

Below are the main methods of communication throughout the busy seasons.

- Coaches- The coaches are available by appointment or after practice to talk about the season, answer questions, discuss your child's performance and other upcoming events or activities.
- Team Board- We will have a team board with important information posted. Please check the board daily for current information.
- Website – Please visit www.greenwoodgators.net
- Emails - Due to the size of the team the most frequent form of communication will be email. Emails will be sent out regularly regarding information on upcoming events, meets, activities and any other items of importance. Please make sure your email is updated when registering.
- Parent Meeting - The Parent Meeting is Mandatory. Coaches/Board will discuss the upcoming meets, importance of volunteering, practice schedule, and give you an opportunity to ask questions about the upcoming season. (Email will be sent out with date of parent meeting)
- Facebook <https://www.facebook.com/greenwoodgators1> and
- Twitter <https://twitter.com/greenwoodgator1>
- Text Messages (see Cancelled Practices/Notification)

Cancelled Practices/Notification

Gators closely follow the direction set by the Greenwood Community Schools. If Greenwood Community Schools close due to inclement weather, Gators practice will be cancelled as well. When this occurs, we will attempt to advise each swimmer's family via email. We realize that not everyone is able to check their email regularly throughout the day. We have the ability to send text messages to families that wish to receive them.

***Text messages will only be sent for canceled or changed practice times, not all correspondences.

Once you are registered and have your login information for the Gator website, you can setup your account to receive text messages. Below are the instructions on how to setup your account.

Add a cell number for SMS/Texting

To add a cell number for texting messages please follow the steps below. Ideally an account holder will perform the below steps, as it requires retrieving a verification code from their cell phone and entering it on the site.

1. Log into your account on the Gators website- www.greenwoodgators.net
2. Go to **My Account > My Account**
3. You will see a box for "Email and Text Messaging Setup." Click the **Add SMS** button to the right of the box.
4. Fill in the Cell Number and Cell Carrier in the pop up and click the **Send** button
5. A pop up will say that a text has been sent to the cell number for verification
6. Check your cell phone for this message and note the Verification / Validation code. Note that some cell carriers can take a while to deliver the message.
7. Enter this number in the "Verification Code" field and click **Verify**. This **MUST** be done for the number to be activated for use through OnDeck
8. The cell number will appear in the box with the "Verified" checkbox checked.

Swim Meets

There are several “away” meets that the Gators will have the opportunity to attend this season. The meet schedule will be posted online and on the Team Board at the pool. If you have any questions about the meets or want to know if your swimmer is ready, the coaches will happily answer those questions when the time comes.

Meet Fees

There are fees associated with each meet. There is a per individual event fee which is typically \$4 per event. If there is also an IN Swimming surcharge which is typically \$2 per swimmer. If the meet is swum at the IUPUI Natatorium, there is a fee of \$1.50 per swimmer. The fees are billed to your Gator account. You do not pay them to the hosting team yourself. The Gators submit all of the athlete’s committed events (entries) to the hosting club by a submission deadline. The hosting club uses these entries to determine the timeline of the meet and provides us with a total amount to be paid by our club. This is all done in advance of the meet. If for any reason after the submission deadline your athlete can not swim at the meet, you are still responsible for any charges billed to the Gators for their committed events. If at any point during the meet you decide to scratch your athlete from an event, you will still be responsible for the charges associated with that event. We understand that circumstances come up that you have to pull your athlete from a meet/event at the last minute but the fees are still due.

Swim Meet Tips For Parents

- 👉 Sign your swimmer up for meets. Coaches will choose swimmers events. You can make notes about which days your swimmer can attend.
- 👉 Dress comfortably. Generally the seating area is very warm and humid. Even in the winter you may want short sleeves. Wear Greenwood Gator sportswear if you have it.
- 👉 Look for other Greenwood Gator parents in the stands. This is a great opportunity to get to know other Greenwood Gator parents.
- 👉 For younger swimmers, you may want to write their event #'s on their hands or arms. After heat sheets are posted you can add the heat and the lane.
- 👉 Pack light snacks and water to drink for your swimmer (and possibly yourself). Most pools have concessions stands but not necessarily healthy snacks for during a meet.
- 👉 Swim meet warm-ups generally last about 1hour and the meet will be about 4 hours. You may want to take a book to pass the time between your swimmers events.
- 👉 Take your camera or camcorder
- 👉 Parents are not allowed on deck. If your swimmer needs something they will need to come to you.
- 👉 Purchase a psych or heat sheet so that you can follow along with the meet. At some meets these are posted online ahead of time or at the time of the meet.
- 👉 Parents can download MeetMobile app for your smartphone which allows you to track your swimmers events and see their updated times.
- 👉 Have fun!!!!

Swim Meet Tips for Swimmers

- 👉 Pack extra goggles and swimsuit
- 👉 Arrive at least 15 minutes prior to the start of warm-ups. This will give you time to get signed in, settled in and ready to swim
- 👉 Always check to see if there is a swimmer sign in sheet. If so highlight your name. This lets the meet personnel know that you are there and that you intend to swim.
- 👉 Find the team seating area. At most meets this will be on the pool deck in bleachers. At some meets, swimmers will actually campout in a nearby gym or hallway. The team sits together during the meet.
- 👉 Some pool decks and swimmer camping areas can be cool. Bring a sweatshirt or sweat pants.
- 👉 If need be have your parents write your event #'s on your hand or arm.
- 👉 Get a good night sleep before the meet.
- 👉 Have fun!!!!!!!!!!!!

GLOSSARY OF SWIMMING TERMS

Block: The starting platform.

Bulkhead: A wall constructed to divide a pool into different courses, such as a 50 meter pool into two 25 yard pools.

Circle Swimming: Performed by staying to the right of the black line when swimming in a lane to enable more swimmers to swim in each lane.

Cool-down: Low intensity swimming used by swimmer after a race or main practice set to rid the body of excess lactic acid, and to gradually reduce heart rate and respiration.

Cut: Slang for qualifying time. A time standard necessary to attend a particular meet or event.

Distance Event: Term used to refer to events over 400 meters or 500 yards.

DQ (Disqualified): This occurs when a swimmer has committed an infraction of some kind (such as a one-handed touch in breaststroke). A disqualified swimmer is not eligible to receive an award, nor will there be an official time in that event.

Drill: An exercise involving a part of a stroke, used to improve technique.

Dry-land Training: Training done out of the water that aids and enhances swimming performance; usually includes stretching, calisthenics, and/or weight training.

False Start: Occurs when a swimmer is moving at the start prior to the signal.

Final: The championship heat of an event in which the top six or eight swimmers from the preliminaries compete for awards, depending on the number of lanes in the pool.

Finish: The final phase of the race – the touch at the end of the race.

Flags: Backstroke flags placed 5 meters from the end of the pool. They enable backstrokers to execute a backstroke turn more efficiently through being able to count the number of strokes into each wall.

Goal: A specific time achievement a swimmer sets and strives for; can be short or long term.

I.M.: Slang for individual medley, an event in which the swimmer uses all four strokes in the following order: butterfly, backstroke, breaststroke, freestyle.

Lap Counter: A set of plastic display numbers used to keep track of laps during a distance race. The person who counts for the swimmer, is stationed at the opposite end from the start.

Long Course or LCM: a 50 meter long pool.

Meet: Competition designed to be a measure of progress and a learning experience. By implementing what has been learned in practice, the swimmers test themselves against the clock to see how they are progressing.

Middle Distance: Term used to refer to events of 200 to 500 yards in length.

Negative Split: Swimming the second half of the race faster than the first half.

Official: A judge on the deck of the pool at a sanctioned competition who enforces USA Swimming rules.

Official Time: A time achieved in a race during a duly sanctioned competition.

Pace: The often pre-determined speed with which a swimmer completes each segment of a race (e.g. 25 yards, 50 yards).

Pace Clock: Large clock with a large second hand and a smaller minute hand, used to check pace or maintain intervals in practice (may also be digital).

Prelim: Slang for preliminaries, also called heats – those races in which swimmers qualify for the championship and consolation finals in an event.

Qualifying Time: Time necessary to compete in a particular event and/or competition.

Relay: An event in which 4 swimmers compete together as a team to achieve one time.

Sanctioned Meet: All competitions in which records may be set and official times may be obtained, must be sanctioned (= approved officially) by Missouri Valley Swimming.

Scratch: To withdraw from an event in a competition.

Seed Time: A swimmer's previous personal best time used to place him/her in the correct heat for each event.

Short Course or SCY: A 25 yard long pool in which most competitions during the winter are held.

Split: A swimmer's intermediate time in a race. Splits are registered every 25 yards or 50 yards, depending on the race, and are used to determine if a swimmer is on a planned pace. Under certain conditions, initial splits may also be used as official times.

Sprint: Describes the shorter events (50 and 100 yards); in training, to swim as fast as possible for a short distance.

Streamline: The position used to gain maximum distance during a start and/or push-off from the wall in which the swimmer's body is as tight and straight as it can be.

Taper: The final preparation phase. As part of this phase, and prior to major competitions, older and more experienced swimmers will shave their entire body to reduce resistance and heighten sensation in the water.

Time Trial: A practice race which is not part of a regular competition. Time trials may be sanctioned and used to qualify for specific meets.

Touch Pad: A large sensitive board at the end of each lane where a swimmer's touch is registered and sent electronically to the timing system.

Warm-up: Low-intensity swimming used by swimmers prior to a main practice set or a race to get muscles loose and warm, and to gradually increase heart rate and respiration.

Watches: Stopwatches used to time swimmers during a competition. When totally automatic timing equipment is used, watches serve as a back-up method.
