

Filling Out the Athlete Transfer Form

Hinsdale Swim Club's club code is HSC

The LSC stands for Local Swimming Committee and should be filled in with ISI

You can find your previous club's code here (state of Illinois only):

<https://www.teamunify.com/SubTabGeneric.jsp?team=ilslsc&stabilid=122754>

Every swimmer has a USAS ID number. Try to get this from your previous swim team. If you're unable to get it, this is a unique swimmer identification that can be figured out using the following formula:

- Birth Date: Put a "0" in front of any single digits
- First Three Letters of Swimmer's Legal First Name
- Middle Initial of the Swimmer's Middle Name (If the swimmer does not have a Middle Name, put an (*) in that spot.)
- First Four Letter of the Swimmer's Legal Last Name

For example, if Suzanne Taylor Smith was born 10/01/95, her USAS ID Number would be 100195SUZTSMIT.
