

Hinsdale Swim Club Refund Policies 2021-2022

Refunds: Membership dues, deposits and/or fees are non-refundable. If a swimmer cancels or terminates his or her membership or leaves to join another team before July 31, 2022 (the end of the season), there is no refund. Registration fees are payable in full even if your swimmer does not complete the full season, and regardless of which payment option you have chosen (installments or in full).

Volunteer Deposit: If a family that has met its volunteer requirements for the entire season chooses to leave the Hinsdale Swim Club, the Volunteer Deposit will be refunded after the season closes on July 31, 2022. Should a family that hasn't fulfilled its volunteer requirement choose to leave HSC prior to July 31, 2022, the Volunteer Deposit will be forfeited. Likewise, should a family fail to volunteer for its required number of shifts in a season, that family will be billed in accordance with fees outlined in the Parent Volunteer Agreement. The appeal process involves submitting your appeal in writing to the HSC Board of Directors two weeks in advance of its next meeting to P.O. Box 126, Hinsdale, IL 60522-0126.

Exceptions: Exceptions to these policies will be made for a swimmer who moves out of the area (at least 25 miles away from Hinsdale Central High School) prior to the first day of practice or if a swimmer suffers an injury or illness that prevents them from finishing the current season. The swimmer will be refunded registration fees, on a partial or prorated basis. All refund exceptions will be discussed and reviewed by the HSC Board of Directors on an individual basis.
