

Ray & Joan Kroc Community Center Pool Layout

1. Swimmer will enter and exit through the main entrance of the building.
2. Swimmers must maintain this distance and wear protective masks. Swimmers will not be allowed in if they cannot follow the social distancing rules.
3. Upon entering, all swimmers must register and take their temperature check each day.
4. Swimmers are required to come to the pool with their swimsuits on. They may use the locker rooms and quick change on the way out since they will be walking through them to leave the pool area. No deck changing allowed.
5. No parents allowed in building, just drop off swimmers. Parents are welcome to purchase a Kroc family membership.
<http://www.kroccenterchicago.com/membership/> \$59 per month for a family, \$34 per month 1 adult plan. Huge workout room & track.
6. Coaches will assign swimmers each lane, every day & take attendance to know who is in each lane.
7. Athletes must maintain the social distancing protocol set at all times.
8. Each swimmer is required to bring their own water bottles and must have their names on them.
9. There will be no sharing of caps, goggles, water bottles, or any other equipment.
10. Coaches will maintain the social distancing protocol while speaking with athletes.
