Fully automatic IST timing system with touch pads, button back up and 6 line electronic scoreboard. The meet will be computerized using the latest version of Hy-Tek Meet Manager. The competition course has been certified in accordance with 104.2.2C(4). The copy of such certification is on file with USA Swimming.

**Eligibility:** All USA Swimming registered swimmers are eligible. All swimmers must be registered prior to entry deadline. Entries listed, as "Registration applied for" will not be accepted. There will be no on deck registration available at this meet. Swimmer's age on the first day of the meet determines age group for the entire competition.

**Swimmers with Disabilities:** Hickory Willow Swim Association welcomes all swimmers with disabilities as described in the USA Swimming Rules and Regulations, Article 105, to participate in our meets. Coaches entering swimmers with disabilities that require any accommodations are required to provide advance notice in writing to the Meet Director by the entry deadline accompanying their meet entry file, including the need for any personal assistants required and/or registered service animals. Failure to provide advance notice may limit Hickory Willow Swim Association's ability to accommodate all requests.
