2022 Sponsorship Opportunities

The South Irvine Dolphins Swim Team is one of the few “City Teams” within the Irvine Swim League (ISL). As a city team, the Dolphins is open to swimmers from all over Irvine, an unique citywide exposure that neighborhood teams within the league may not have. However the downside is that the team does not have free use of an HOA pool like most ISL teams, which is why the Dolphins rely so heavily on support from local businesses and professionals within Irvine.

Benefits of Being a Dolphins Sponsor

- A highly visible sponsor section on the team website with active link to sponsor website. The Dolphins website is set up to promote frequent visits by families and friends of our 130 swimmers. Regular updates and notices on practices and weekly swim meets will be posted here, including weekly meet results and photos taken during the meet. Sponsor logos will remain live on the site until registration for the 2023 season begins in March 2023.
- 2022 Team T-Shirts with sponsors’ logos on the back will be given to every swimmer as part of the team uniform and encouraged to be worn at every swim meet. The Dolphins always show great team spirit at every meet and these t-shirts have become an integral part of that effort.
- Team banners with sponsors’ logos will be prominently displayed at every swim meet (approx. 500+ people in attendance), including the city championship which has over 2,400 swimmers participate (approx. 4,000 people total).

Team sponsor banner is displayed at every swim meet, including prime location at the City Championships

Team shirts with sponsors’ logos are worn by swimmers at every swim meet
