How to signup Event jobs:

- Step 1:** Find the empty slots shown as "-----".
- Step 2:** Click on the checkbox in front of the empty slot that you want to sign up for.
- Step 3:** Select [Signup] button to signup for the slots that you selected.

**Note:** If your Account name is printed right after the checkbox, you've signed up for that job. You do NOT have to "Signup" again. You, however, can use the "Remove Signup" button to remove the signup if you no longer want to work on that job.

If someone else's name is printed, that job slot is not available for you to sign up (this is a first-come-first-serve system). You can only sign up for the empty slots shown as "-----".
