ATHLETE CODE OF CONDUCT

LST Rules/Code of Conduct Violation Guidelines

The following is a guideline for violations of our Code of Conduct. While an exhaustive effort will be made to treat every incident identically, each circumstance will be judged on its own merit and handled accordingly. Due to the severity of a specific violation, some incidents may be so flagrant that they will be treated initially as a second or third time offense. This could also be used when one or more tenants of this code are broken during the same incident. At the discretion of the head coach, any one or all of the following penalties may be applied:

- Code violations that are deemed illegal activities will be immediately reported to the appropriate authorities.
- Travel code violations will be subject to return home (at the expense of the parent and/or swimmer) and other punishments including barring from future travel events or other competition. The coaching staff/chaperones hold the final word on any rules, regulations, or disciplinary action. Their directions are final.
- Property damage violations will result in disciplinary action plus the swimmer and their family will be responsible for all damages and fees incurred upon collection or prosecution of damages.
- Code violations which are also violations of the MSDLT Athletic Rules and/or the USA Swimming Code of Conduct may carry separate/additional punishments.
- 1st-time offenses may result in a maximum 3-day suspension, parent/swimmer/coach conference, and any various additional items parents or coaches deem necessary.
- 2nd-time offenses may result in a maximum 5-day suspension, parent/swimmer/coach conference, and any various additional items parents or coaches deem necessary.
- 3rd-time offenses in cases of LST membership, staff will recommend expulsion to the LST Board of Directors.
- Violations of rule #3 will involve possible removal from the team (2-week minimum suspension) and a competition suspension (current season minimum) as well as possible additional items deemed necessary.

All team members, staff/chaperones, and parents of minors are apprised in writing of this code of conduct and the USA Swimming Code of Conduct. A signature on this document constitutes unconditional agreement to comply with the stipulations of both documents.

I recognize my responsibility to abide by the rules and requirements of LST and I acknowledge that I have received and read such.
