

LOCKER ROOM MONITORING POLICY

PURPOSE

The following guidelines are designed to maintain personal privacy as well as reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at: Lawrence North High School, Lawrence Central High School

These locations have:

- A boys and a girls locker room dedicated to the swimming facilities
- LN has available a “family locker room” designated by the staff in the coaching office hallway.

MONITORING

LST has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we will not always post (staff, coach, parent) at the doors of the locker rooms, we do make occasional sweeps of these areas. Staff conduct these sweeps with women checking on female locker rooms, and men checking on male locker rooms

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras, and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. The USA swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

305.3 *Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms, or locker rooms.*
