

New Trier Aquatics Code of Conduct

The following rules constitute the code of conduct applicable to all club members and their parents. Any reference to “you” shall include each NTA athlete, parents and coaching staff.

1. All members of the NTA are members of the governing body for their sport. Any violation of the USOC committee Code of Conduct shall also be a violation of the NTA code of conduct. To the extent any rule below conflicts with any provision of the USOC Code of Conduct, the provision of the governing body Code of Conduct shall prevail.
2. All Members of NTA are responsible for reading all team policies as listed on the website. Questions regarding team policies can be directed to the CEO or NTA Board.
3. You should conduct yourself appropriately at all times, including: displaying good sportsmanship, being safety conscious on deck and in the pool, respecting the facilities we use and the property of others.
4. You should treat coaches, club officials, administrators and other swimmers with courtesy and respect: foul or offensive language should never be used; negative or derogatory comments should be avoided.
5. When registering a complaint, you should wait 24 hours from the incident before bringing it to the attention of the coach, club official, or administrator. The purpose of this “24-hour rule” is to provide a cooling off period for all concerned.
6. Violations of the rules will result in disciplinary action. Such discipline may include, but not be limited to: First Violation: Written warning from coaches requiring signatures from swimmers and parents. Second Violation: One week suspension from the team at the sole discretion of the Head Coach. Third Violation: Swimmer’s case will be presented to the NTA Board with recommendation of immediate dismissal from the team with no refund of fees.
