

## Tent Set Up

We are making a few modifications to our deck set up in an attempts to create a better viewing area and hopefully some additional deck space. Fingers crossed. Here are a few very important points (do's and don'ts) regarding coaches and spectators tent set up.

**-Please encourage your families to set up their tents in the park. They are welcome to hang out under their tents in the grass areas until their athletes are ready to swim. Then come in and use the viewing area.** We feel this is a great way to free up space.

-We will allow **coaches only in the gates at 9:30am on Friday** to set up only their coach's tent. Please make sure that you have signed in before entering the deck. You are setting the example for your athletes. Please to not bring tents for your parents (spectators). You will not be allowed to set them up.

-Please do not show up on Thursday evening in an effort to set up your coach's tent. We will be heavily involved in meet set up and you will be asked to leave.

-Please do not attempt to come in the back gate. You will need to enter through the front gate to ensure all credentials are checked.

-We are changing our viewing area. The viewing area will be clearly marked. The viewing area will now be the first 6 ft. from the edge of the pool and extend the full length of the pool. All tents will be required to set up behind the viewing area.

-Spectators are asked to enter and exit the viewing area as their athletes swim. No chairs will be allowed in the viewing area.

-Spectators will be allowed to set up their tents on a first come first serve basis.
