Welcome Southeastern Dive Club

Hamilton Southeastern High School has joined forces with RipFest Diving to offer an amazing opportunity for the community. We are now offering diving lessons and diving club for those that have an interest in learning how to dive or wanting to get their diving skills better for competition.

Lessons to Competition ages 7—18 yr olds: Come join and learn about the awesome sport of diving in a fun and safe environment. From beginners to those just needed to work on dives for competition, we have the perfect opportunity in your High School and at our Dryland Center. We teach from the fundamentals to advance skills with clear understanding of each step in the process to becoming an amazing diver like those in the Olympics.
