

Scout Aquatics Newsletter– August 30

CURRENT EVENTS:

Registration information went out at the beginning on August! Please let me know if you did not get my email or if you have any questions. The September calendar can be found [HERE](#).

Do you know anyone that is interested in Scout Aquatics? Bring them to the tryout practice on Friday Sept. 3rd! We are inviting new and interested swimmers to try out the team from 6:30-7:30p at the LFHS pool. All new swimmers must fill out the [TRYOUT WAIVER](#) before entering the facility. **All current swimmers can come and show our new and interested swimmers how we practice and play.**

The season starts on Tuesday, September 7th. There is later practice on Wednesday, Sept. 8th because of a high school swim meet.

Protocols:

- All swimmers do NOT need to do the screener any more. Please remember that if your swimmer is not feeling well or have a temperature, they must stay home.
- We will continue to enter the pool at door 27W and exit at the athletic office door.
- We will require masks at all times when swimmers are out of the water. Please bring a bag or a container to keep masks dry when they are on the side of the pool.
- Bags and swimmers will be seated on the numbers on the benches around the pool (at least 8 feet apart). Locker rooms can be used if necessary, masks are required at all times. Access to the locker rooms will only be from the pool deck.
- Parents may sit in the balcony to watch practice and must be masked at all times. More information to come.....

Swim Meets:

- None at this time.....

College:

[Lookforit](#) is a free website that helps in the search for the right fit for swimming in college. Once you find a good fit, you will need to contact the team and coaches by filling out the team questionnaire and then follow up with a email about your interest.

BIRTHDAYS: We have 2 birthdays this week. Happy birthday to:
Albert Jie (14) and Abby Houlihan (14)!

Equipment and apparel: We cannot share or use equipment at LFHS anymore. We will require all swimmers to have their own equipment even after we get back to some normalcy. Our account with the Swim Team Store lists all the equipment you need for the group you are in. You can also buy any other apparel and equipment you may need from the site. **SHOP ON OUR TEAM WEBSITE:**
