

2018 IA Summer Spectacular Meet Recap

SWIMMERS OF THE MEET

Exploration I-Henry Collins

Henry suffered a minor injury earlier this year that required them to be out of the water for a few weeks, however, that didn't stop him at all from working hard when he was allowed back. Henry's hard work and dedication showed this weekend at the Irish Aquatics meet with no DQ's and time drops in several events. Henry you rocked the meet, keep up the hard work!

Exploration II-Brayden Waldo

Brayden has always worked hard in practice but recently kicked it up a notch because he has big goals set for himself. Brayden also swam the meet with no DQ's, time drops in every event, and gave his best in the 100 fly. Brayden you're well on your way to reaching your goals, keep it up!

Yellow-Allie Heine

Allie is an extremely hard worker in the pool and out. If she is not in the pool she can be found on the soccer field, baseball diamond, or the track...she is always on the go. Even with all those other sports she is willing to find time to make up a missed practice. She had a very good Irish meet, dropping 38+ seconds over all and earning two new state cuts. Way to Go, Allie!

Red-Xander Tuttle

Xander had an outstanding meet, with time drops in every event for a total of over 9 seconds! This is Xander's first season with SWAC and he has been a welcome addition to the Red training group. Xander has excellent attendance, a great attitude, works hard at every practice, especially on the stroke improvements we have been working on. Congratulations, Xander and keep up the good work!

Blue-Eryn McLaughlin

Eryn has made a commitment this summer to improve her stroke technique during practice, which has given her added confidence when racing in meets. Because of her hard work she was able to place very well during the Irish Aquatics meet. Erin was able to make the "Top Ten Time Drop" list, and was also able to win an individual event. I'm very proud of Eryn, and look forward to watching her continue to improve.

Senior-Mackenzie Butz

The IA meet was Mac's last long course competition this season, and she was able to cap a very good summer with another strong performance. Mac notched 4 new lifetime bests, including a drop in the always popular 200 Butterfly. Mac has really tried to focus in on some technical improvements this season, and we're both excited to see them carry over into the fall season.

SWAC EVENT WINNERS

Owen Lindsay

12&Under 100 Freestyle

Eryn McLaughlin

12&Under 50 Backstroke
