Westfield Aquatics Club Basic Information

Where do we train?

Westfield Aquatics trains at Westfield High School which contains a six-lane, 25-yard pool. Please enter the building through Door #13.

Practice Groups

Westfield Aquatics uses a progressive multi-level team structure designed to challenge each swimmer's development physically and mentally. At each level all swimmers are encouraged to achieve the objectives and goals set out by the swimmer and coach. This structure promotes long-term success and enjoyment of the sport of swimming. The coaching staff encourages parents to embrace the fact that each child is different and progresses at their own individual rate. All group assignments are made by the coaching staff after an evaluation session for new swimmers, or by evaluating the progression of current swimmers on the team.

Practice Schedules

Practice schedules are listed under the "Practice Schedules" tab. The practice schedule once school is out will be posted as soon as it's available. An email will be sent out with this information.

Meet Schedule

The Long Course (spring) meet schedule is listed in the "Membership Information" section of the "2019 Long Course Season Registration" tab.

Athlete Expectations

1. **Always be punctual at practices and meets.** This is rule #1 for a reason. Time is the most important resource any of us have! Honor your time and the time of your family and coaches, and show respect through being punctual.
2. **Train to your limits.** Give 100% each day--there is no such thing as 110% one day to make up for lackadaisical effort another day. Make everything you do count.
3. **Use the pace clock.** Don't *guess* how fast you are swimming—**know** how fast you are swimming.
4. **Start and finish every swim at the wall.**
5. **Listen** – No talking when directions are being given.
6. **Perform every set and drill exactly as stated.** 100% right is 100% right; 99% right is 100% *wrong*.
7. **Do every stroke and turn legally.**
8. **Learn to enjoy a hard challenging practice** since this is what helps you reach your potential.
9. **Always have the necessary equipment** including an extra cap and goggles.
10. **Have fun!**

Please review the “Swimmer’s Code of Conduct” with your child prior to the first practice. A separate link is posted on the website under the “Safe Sport” tab. Your agreement will be indicated electronically via the registration process by checking the appropriate box. If your child is a **NEW Age Group Elite or Senior swimmer, he/she will also be required to sign a hard copy indicating his/her understanding of the Code.**

Policies Regarding Practice

- Westfield Aquatics does not have a set attendance policy. As with most athletic activities, competition will improve as practice time increases. Your coaching staff spends a great deal of time preparing a

practice schedule that caters to the variety of ages and ability levels. The coaching staff will take attendance on a daily basis so that the progress of each athlete can be tracked.

- Swimmers should arrive at the pool practice facility no earlier than 10 minutes prior to their workout time and should be picked up no later than 5 minutes after practice time is over. No swimmer should be dropped off at any time unless the parent knows a coach is present. This is for their safety.
- In order to continue the good relationship that we currently have with Westfield High School, no swimmers are allowed in any areas of the school other than the workout facilities and the halls that lead to them. It is also extremely important for siblings of swimmers, as well as any other young children involved with the team, to be under constant adult supervision.
- While at practice, swimmers are the responsibility of the coaching staff. During workouts, swimmers are not to leave the pool area without the coach's permission.
- Westfield Aquatics is the guest of the Westfield Washington School District, and it is our responsibility to respect this privilege. Any damage to school property may result in the financial liability of the swimmer's family. Any damage may also result in the swimmer being asked to leave the team permanently.
- Practices are extremely important. Therefore if the parent needs to speak to a coach, please plan to do so before or after the practice, do not interrupt the coach during a practice. The coach's responsibility is to the swimmer. When the attention is taken away from the swimmer the coach is not able to do their job.
- Promptness is a must for practices to be worthwhile.

Expenses associated with swimming

There are 4 types of expenses you will typically incur as a swim parent—here is a brief explanation of each type.

- **Registration Fees:** \$135 for each swimmer (Age Group Elite and Seniors).
 - Included in this fee:
 - USA *Swimming Registration* (approx. \$40) which includes secondary accident insurance, eligibility to enter swim meets, bi-monthly issues of *Splash* magazine, eligibility to participate in USA Swimming and Indiana Swimming programs such as camps.
 - A Westfield Aquatics team shirt and swim cap.
 - The remainder is applied to Westfield Washington Schools' facility usage fees.
- **Flex Membership Fee:** included in the BLOCK fee (\$20 per swimmer). Please see below for more information regarding this new program offered by USA Swimming. This option is in lieu of the regular membership.
- **Training/Practice Fees:** These fees vary by group. Your child will be placed in the group our coaches feel best suits their ability.
- **Meet Entry Fees:** Swimmers are responsible for paying entry fees to all competitions in which they are entered. These fees vary depending on type of competition and the number of events entered and generally range from \$20-\$40 per meet. Meet entry fees are calculated by Westfield Aquatics, and are automatically applied to your monthly bill.
- **Apparel Costs:** Westfield Aquatics requires all swimmers to compete in Westfield Aquatics competitive gear. This includes a Westfield Aquatics suit and cap for all competitors, male and female. Our team provider is Elsmore Swim Shop. Please contact them directly to order a team suit (317-208-3000).

USA Swimming Flex Membership

The Flex membership is a year-round membership, but the benefits are limited** from the “Premium” (i.e. the traditional membership). This is a membership geared toward those athletes who are new to the sport, athletes who might train but not compete, and multi-sport athletes.

**swimmers are limited to two competitions in a calendar year AND are not allowed to swim in any championship level meets (i.e. Divisionals and above).

The Flex membership can be upgraded to a “Premium” membership at any time.

Westfield Aquatics has incorporated this membership in the “BLOCK” program for swimmers in our Developmental, Age Group 1, and Age Group 2 programs. Please refer to Appendix A for a more detailed explanation and the fee structure.

Multi-swimmer Discounts and Scholarship Opportunities

We strive to make this an enjoyable, and affordable experience for your family.

- ***Sibling Discounts (if have swimmers in AGElite & Senior programs):***
 - Westfield Aquatics applies a 15% discount in training fees for the second swimmer in a family.
 - Westfield Aquatics applies a 30% discount in training fees for the third swimmer in a family.
 - Westfield Aquatics applies a 100% discount in training fees for the fourth (and 5th, 6th, etc.) swimmer in a family.
 - Discounts are applied from the highest-fee group to the lowest-fee-group. Discounts are not applied to registration fees or meet fees.

- ***Sibling Discounts (BLOCK swimmers):***
 - Westfield Aquatics applies a \$15 discount per BLOCK for the second swimmer in a family.
 - Westfield Aquatics applies a \$25 discount per BLOCK for the third swimmer in a family.
 - Westfield Aquatics applies a \$100 discount per BLOCK for the fourth (and 5th, 6th, etc.) swimmer in a family.
 - Discounts are not applied to meet fees.

--For example: if you have a senior swimmer and an Age Group 2 swimmer (in the BLOCK program), the senior swimmer is charged the full price, but the AG2 swimmer would have a \$15 discount off the BLOCK fee.

Bottom line: if you have more than one swimmer, you will get some form of discount.

- **Scholarship Program:** Westfield Aquatics offers a scholarship program with reduced fees for families that qualify financially. More information is available on the website under the “Swim Team” tab, including a form to be turned in to the Board.

Apparel and Equipment Expectations

Apparel

- **At Practice:** Swimmers may practice in any one-piece practice suit and a Westfield Aquatics swim cap.
- **At Meets:** We expect Westfield Aquatics athletes to compete in Westfield Aquatics gear. This includes a Westfield Aquatics T-shirt, a Westfield Aquatics swim suit, and a Westfield Aquatics swim cap for all competitors, male and female. During the regular (non-championship) season there will be few (if any) exceptions to this rule; we compete as a team! If a swimmer wishes to wear any suit other than a Westfield Aquatics suit, they must first have the permission of their coach. During championship meets, swimmers may wear competition suits other than their Westfield Aquatic suits—but only after having discussed it with their coach. Wearing the same suit and cap serves two purposes: it furthers team unity, and it helps coaches and parents easily identify Westfield Aquatics swimmers on deck.

Equipment

Westfield Aquatics provides kickboards to our swimmers in the Developmental, AG2, and AG1 groups. The following groups have a list of recommended additional equipment. Please contact Elsmore Swim Shop (317-208-3000) to purchase equipment for your swimmer’s group – just tell them what practice group your child is in, and they can make sure you get the right equipment.

- **Age Group 2:**
 - Fins (rubber)
 - Mesh bag (optional for storage/transport of fins)
- **Age Group 1:**
 - Fins (rubber)
 - Snorkel
 - Mesh Bag (optional for storage/transport of fins)
- **Age Group Elite:**
 - Fins (rubber)
 - Snorkel
 - Mesh Bag
 - Speedo Tech Paddles
 - Pull Buoy
 - Kickboard
- **Senior Group:**
 - Fins (rubber)
 - Snorkel
 - Mesh Bag
 - Speedo Tech Paddles
 - Pull Buoy
 - Kickboard
 - Tempo Trainer

Apparel and equipment expectations are taken seriously. They are an outward reflection of the order and class of our team. Team members are expected to understand and follow this policy.

Training Fees and Payment Schedule (AGElite & Seniors)

The monthly training fees for the 2019 Long Course Season are at the same rates as the 18/19 Short Course (Fall) season, including credit card processing fees, 2.95% currently. This is a pass-through charge for members. There are **two** payment options (see schedules on the following pages):

● **Option #1: Monthly Payment Plan:**

- **For the Senior group only:** if you signed up for the monthly payment plan in the Fall (i.e. the “6 payment” plan-Oct, Nov, Mar, May, Jun, and July), you will continue to pay monthly fees through July. The summer fees are the same monthly charges.
- **NEW** Senior Swimmers will be charged a seasonal registration fee (\$135) in addition to the training fees.
- **Returning Age Group Elite Swimmers only:** you have the option to continue your membership through the Long Course (Spring) Season. You will NOT pay registration fees again, but **you will need to register again** (this is different from the prior Spring Season process).
- **NEW** Age Group Elite Swimmers will be charged a seasonal registration fee (\$135) in addition to the training fees.

Monthly Training Fee Payment Schedule—Spring 2019

First Swimmer	MAY	JUN	JUL
Full Price			
Age Group Elite	150	150	150
Senior	196	196	196
Second Swimmer	MAY	JUN	JUL

Third Swimmer	MAY	JUN	JUL
30% Discount			
Age Group Elite	105	105	105
Senior	137	137	137

- **Option #2: One-Time Payment Plan; 2 payment option for Seniors only:**
 - Members may opt to pay their training fees in a one-time payment for the season. Payment is due May 1, 2019 for the long course season for Age Group Elite and are processed via our online payment system.
 - Members who choose this plan receive a **5% discount** on training fees. Members on this plan are still considered “Seasonal,” and must declare their intent to swim each season by re-registering.
 - **Senior swimmers (High School Age) who elected (in the Fall) to have two payments for an entire year will be charged for the 2nd payment on May 1, 2019.**

One-Time Training Fee Payment Schedule—Spring 2019

Group:	Due May 1st, for Swimmer #:			
	1st	2nd	3 rd	4th+
Age Group Elite	428	364	300	0
Senior	559	475	391	0

Joining After the Start of the Season:

Any member joining on or before April 30, 2019 may choose either of the following options:

- **Monthly**--You will pay your registration fee (if NEW swimmer) at sign-up (online), and your remaining training fees as they come due on the first of each month.
- **One-Time Payment**--You will pay your registration fee (if NEW swimmer) at sign-up (online), and prorated training fees, which will be applied automatically to your Westfield Aquatics account on the next first of the month after your sign-up.
- *Any member joining on or after May 1, 2019—you will pay your registration fee and you must pay a one-time pro-rated sum for training fees.*

BLOCK Program Fees: please see Appendix A for details.

Online Payment: Automated Payment Processing

- Westfield Aquatics families must pay all training fees and charges online with a VISA, MasterCard, or Discover, or through Automated Bank Withdrawal. When you register you have the option to set this up, or you can set this up through your online Westfield Aquatics website account (once you log in, click “Set up Auto Pay” on the left-hand side of the screen). All meet and training fees (as well as incidentals or fines, if necessary) will be run through our website. Please talk to a Westfield Aquatics Board Member if you have questions regarding this policy, or email manager@swimwestfield.org.
- Our automated payment system will tell you when your payment information needs to be updated. When your card expires, or you get a new card sent to you by your bank, please be sure to update your Information in our system to keep our billing system running smoothly.

Your Commitment to Westfield Aquatics

Westfield Aquatics makes important decisions based on your commitment, including the recruitment, hiring and scheduling of coaches, the allotment of pool time for each group, and the reservation of and payment for pool time. **When you join Westfield Aquatics, please keep in mind that you are committing to the following for the season:**

- (1) **Timely payment of your dues through our automatic payment system.** All members must pay their registration and training fees, as well as incidental costs (such as meet fees or apparel) incurred during the season, in this manner. Your child may not participate in any Westfield Aquatics practices until you have entered this information into our website. If, for some reason (such as an expired credit card or inaccurate payment information), payment is not made on the first of the month in which it is due, your child may not participate in Westfield Aquatics practices until an updated payment method is added. Please contact manager@swimwestfield.org so that a manual payment may be processed.
- (2) **Full payment of your Westfield Aquatics fees according to the amounts set forth in this packet.** We offer two payment schedules as a *convenience* to our members—but your completed registration through our team website is your indication that you intend to pay your dues in full. There are two exceptions to this rule:
- **New members (AGElite & Seniors only):** New members are granted a two-week trial period. If at the end of the trial period you would like to terminate your relationship with Westfield Aquatics, you may do so by contacting the Head Coach with a formal request via email. Westfield Aquatics will keep \$40 of your registration fees to cover the cost of registering your swimmer with IN Swimming (which we do immediately), but we will refund the balance of the registration fees you paid (\$95), and you will be released from all further financial obligations.
 - **Injury/Illness (AGElite & Seniors only):** Should a member swimmer suffer an injury or illness that prevents him/her from practicing, the Club will refund a prorated portion of the season (100% of the weeks missed swimming) minus the \$50 handling fee. This amount will be issued in the form of a refund to the family unless otherwise determined by the Westfield Aquatics Board.
 - *Further requirements are:*
 1. *A refund requires a doctor's note.*
 2. *The swimmer must miss more than ½ of the season to qualify for any refund.*
 3. *At a minimum, Westfield Aquatics keeps the normal withdrawal-handling fee.*
 4. *The request must be made before the season in question is over.*
- (3) Purchase of appropriate apparel and equipment for your child's group. **All Westfield Aquatics swimmers must have a fitting Team T-shirt (first one will be provided) as well a swim cap (first one will be provided) and a Westfield Aquatics team suit.** Any exceptions to this rule must come from your child's coach. Some of our higher groups have equipment expectations, and for your child to fully participate in their group's workouts, they should have the proper equipment with them at all practices.

Volunteering Commitment

Joining the swimming community is more than just dropping off and picking up your children at practice. Westfield Aquatics cannot function without the involvement of all parents. Throughout the year, Westfield Aquatics will ask its members to support fundraising activities (including volunteering in needed roles for hosted swim meets and Swim-A-Thons) and participating in club activities. These fundraisers are opportunities for parents to become involved in our organization and support their children. In general,

they serve to promote and build the Westfield swimming community. These fundraisers are a significant source of revenue for the club, enabling us to maintain a reasonable fee structure while providing the highest quality program possible. By joining our team each family is committing to participation in Westfield Aquatics fundraisers as determined necessary by the Board of Directors.

Our two big fundraising opportunities are staffing the **Indianapolis Councilman Classic meet (June 12-15)** at the Natatorium (IUPUI) and the **Westfield Neighborhood Swim League Championship** at Westfield High School (**late June**). If other volunteering opportunities arise, the Board will communicate the opportunities as soon as they are known.

Sign-up sheets for specific jobs and times will be available online in the month preceding the meets. We hope to provide ample volunteering opportunities throughout the season. If you know ahead of time that you will be unable to participate or volunteer in a meet, please contact the Meet Director as there are usually ways to fulfill your requirement ahead of time. Families who are unable or unwilling to honor this commitment will be assessed a **\$50.00 financial penalty per family per session not meeting the meet requirement**. For example, a specific meet might require 2 sessions, but if you only work 1 session—you would be assessed a \$50 fine. This ensures that we can provide adequate staffing at the meets and achieve our budget.

In addition to staffing meets (typically 4 – 5 hour shifts), each family is expected to participate in a volunteer capacity during the club each season. Meeting the volunteer commitment can include serving on various committees, such as the Board of Directors, meet planning, apparel, social committee, communications and marketing. Other opportunities include running new member orientation, officiating, generating club sponsorship monies, providing services in-kind to the team, sponsoring a Saturday morning swimmer breakfast, hosting a parent function, etc. Opportunities will be available to sign up online throughout the season and new ideas are welcome. The board reserves the right to impose a \$50 fine on families that do not fulfill a volunteer commitment.

BLOCK families only – your volunteer requirements are tied to the timing of your BLOCKS. For example: if we host an intrasquad meet during your 1st block, you would NOT be required to work, however when you are signed up for your 2nd block, you would be required to volunteer in some capacity, i.e. timing, ribbon writing, provide drinks, etc. Of course, all of the other volunteer opportunities (as listed above) are available to you at any time.

Website

Please check www.swimwestfield.org for current important club information. Your coach can answer questions regarding meet requirements.

Other Team Information

Our club website also has current board members, the club by-laws, coaches' bios, email & contact information, and other miscellaneous information to keep you up to date on Westfield Aquatics. Check it often to stay informed! Also, check us out on Facebook, Instagram, and Twitter!

Parent Checklist!

Please use this list to help ensure that you get your child ready for the season.

Before your child's first practice, please make sure to do the following:

(1) Register online at www.swimwestfield.org. On the right hand side of the website, click "Registration" and select the appropriate box for your child's assigned group and continue to follow the online instructions. Please be sure to use a contact email for your account that you check often.

Done!

(2) Set up some form of automatic payment through our team website. This will allow us too consistently and accurately bill your account on the first of each month. You may use a credit card or bank account for this secure payment system.

Done!

(3) If you are transferring from another USA Swimming team, please submit the IN Swimming Transfer Form. The form is available in electronic format on our website under the "2019 Long Course Season Registration" tab. Once you have filled out the form, email it to manager@swimwestfield.org. If you are unsure when your child's last meets were with their previous team—we can help you with that information!

Done!

By the end of your child's second week at practice, please make sure to do the following:

(1) Submit a proof of identification/age for your child (if you are brand new to swimming). Information regarding acceptable forms is available in electronic format on our website under the "2019 Long Course Season Registration" tab. Please photocopy the relevant information (usually a birth certificate, passport, or driver's license), and email the scanned copy to manager@swimwestfield.org.

Done!

(2) Order the equipment and team suit needed for your child's practice group. You can order over the phone (317-208-3000) with Elsmore Swim shop.

Done!

APPENDIX A

GROUP STRUCTURE and “BLOCK” Scheduling

We are always looking at ways to improve our team and our sport by offering the very best opportunities for our athletes to thrive in our program. One of the most important parts of this is to allow athletes the opportunity to try our team. Experts believe, and we agree that young athletes should compete in multiple sports until they are approaching or going into high school.

In an effort to make it easier for young athletes to try our sport/team and to stay in it, we have reorganized the younger portion of our program. Developmental, Age Group 2 and Age Group 1 will be offered in blocks of 6 weeks on and 1-2 weeks off. There will be 6 blocks offered through the year (4 during the Short Course season and 2 during the Long Course season).

Athletes in these groups will be registered under USA Swimming’s FLEX Plan at \$20.00 per year. This registration fee will be paid by the club as part of your “Block” fee. The FLEX Plan covers the athlete at all Westfield Aquatics practices and up to TWO USA Swimming Sanctioned meets per year. Any athlete who chooses to participate in more than two USA sanctioned meets will be required to extend their USA Membership to a FULL Member Registration which is \$72.00. **The athlete’s family will pay the difference of \$52 at the time of that registration change.**

There are several reasons why we chose to make these changes.

1) To take the pressure off athletes and families from choosing one sport too early. Want to play soccer? Great we’ll see you in two months. Want to try basketball, no problem we hope to see you in the session after that. Want to try swimming? OUTSTANDING! We have 6 different blocks through the course of the year that you can sign up for when it fits YOUR schedule and other demands.

2) We believe BURN OUT is the most overused phrase in youth sports. Athletes come and go from activities all the time for a multitude of reasons and BURN OUT is the phrase assigned to most all of them. We do however believe that children have short attention spans and can get bored or lose focus. We believe that giving athletes multiple breaks throughout the year will keep them interested, engaged and excited about what they are doing even if they choose to sign up for all 6 blocks.

3) We will be able to schedule our blocks around many of our holidays; fall break, Christmas...Allowing our families to have time with each other, to travel or to host guests without any sporting commitment to us. It will also allow the simple pleasure of a nightly family meal for a couple weeks to reconnect and step back from today’s hectic and heavily scheduled lifestyle.

4) This will give many members of our staff time off with their families. It will also give them time to focus on their “real” jobs. This will give the coaches a break to get refreshed and excited to work with all the athletes when they see them again.

5) Athletes will not “get out of shape” during their time off. Young athletes don’t need to “train.” There are a few physical/physiological developments that consistent activity in young athletes develop. One is greater capillary development in larger muscle groups, this is almost exclusively legs for young athletes. The other is “aerobic base,” which is a generic term for the development of your cardio vascular system. Both these traits are developed over years not weeks of activity and do not diminish over a short period of time.

6) If an athlete chooses to participate in all 6 blocks during the course of the year, they will have swum 9 months. 9 months of swimming will allow the athlete to continue to move their skill level forward in the sport and prepare them for our program when they are asked to do more.
