

## Volunteer Opt-Out Policy Requirements:

Meet(s) run strictly on volunteer(s). Every ACTIVE family is required to provide a minimum of 1 volunteer for every MSC\Aquapups or partnered hosted meet whether there swimmer participate(s) or not. We are extremely grateful to the families that go above and beyond this requirement.

While the goal is to have 100% participation with volunteerism, the club understands that with other commitments it may be difficult. If you choose to not work volunteer hours, you may opt-out by paying a fee per meet. Please see chart below for opt-out pricing. At the end of each meet you will be billed for any unworked/no show meet(s).

On the season fee contract you initialed that you will adhere to this policy and agree to pay any fees that may occur due to you not fulfilling this policy. Job signup can be done on the team website, by going to the events tab on the teams website. If you see job signup under that event, then this is a MSC\Aquapups or partnered hosted meet\event.

If we have enough committed swimmer's to fill the volunteer position(s) required for that meet then we will not bill those NOT participating. However, if we do not meet that requirement then we will reach out to those NOT participating and ask for help.

Swimmer(s)	Not Participating at meet(s)	Participating at meet(s)	
Per Meet	Meet participation is not meet	1-Day	2-Day(s)
<b>Meet's</b>	<b>\$25.00</b>	<b>\$50.00</b>	<b>\$100.00</b>

Please note that this is a parent policy, swimmer(s) are not eligible to complete these volunteer hours. However, if there are Grandparent(s), older siblings, Aunt(s), Uncle(s), they are eligible to complete these hours.

If there are extenuating circumstances, families may contact the volunteer chair or membership chair for details to complete the [Special Circumstance Form](#). Which can be found on the teams website under Forms\Parent tab.
