

Be The Best You Can Be

HURRICANE SWIM CLUB SCHOLARSHIP APPLICATION AND AGREEMENT

Hurricane Swim Club (HSC) is a year round competitive swim team. Scholarships are for year round competitive swimmers only.

Scholarships are awarded for the duration of the current season only. All scholarships are awarded based solely on NEED. Proof of need is required for a scholarship to be approved. All information you provide will be held in the strictest confidence. Any information provided will be used to determine eligibility for HSC scholarship funds. We want to help as many families as possible each year, but funds are limited.

Please submit a copy of corresponding documents with your scholarship application.

HSC scholarships provide a significant reduction of swimmer's assigned monthly dues. In return for this benefit we agree to the following requirements.

Please read and initial all of the items below.

- A. _____** I/we understand that our family must be eligible for the NSLP "free/reduced lunch" program in order to be considered for an HSC scholarship. We agree to provide a copy of our "free/reduced lunch" eligibility letter before this scholarship becomes effective.

OR

- B. _____** I/we are members of HSC and due to sudden extenuating circumstances believe our family should be considered for an HSC scholarship. We agree to provide the Board of Directors with a letter of explanation before this scholarship becomes effective.

I/we understand that our family will participate in all club fund raising events. Failure to participate in club fund raising opportunities may be cause for revocation of our scholarship.

I/we understand that our account must be kept up-to-date (no outstanding balance beyond 30 days). Failure to do so may be cause for revocation of our scholarship.

I/we understand and agree that adult members of our family are required to contribute 15 hours of volunteer service time to the team. This includes time spent volunteering at HSC sponsored events, timing at away meets, helping out when needed at the pool and any other opportunities which arise.

I/we understand and agree our swimmer will be required to maintain regular attendance at swim practices. Swimmers are expected to attend a minimum of 75% of all scheduled practices. Please arrange with the Head Coach if there are to be any extended absences from the pool.

I/we understand that our swimmer is required to attend any HSC sponsored swim meets and are strongly encouraged to attend other meets, as possible.

I/we understand that this scholarship will be considered effective as of the date of our application. New swimmers who apply for and are denied a scholarship may leave the team without past or future obligation. Returning swimmers who apply and are denied a scholarship may leave the team without future obligation but will be responsible for any dues and fees incurred to date.

I/we understand that scholarships are awarded for the duration of the current season only. We understand we may reapply in subsequent seasons if we are eligible and in need of future financial assistance.
