SAFE SPORT TRAINING

All CSI swimmers and parents should take the FREE online Safe Sport education training. Courses are different for athletes and for parents, see below. All athletes 18 and older MUST complete the APT training requirement.

- **Safe Sport Education for Athletes.** USA Swimming's online training for athletes provides an introduction to Safe Sport, healthy boundaries, and how to speak up about misconduct, abuse, and the behaviors that lead to abuse. This course is designed for athletes 12 and older. USA Swimming Members may access the course at www.usaswimming.org/learn. Enter the swimmer's information, the LSC is Lake Erie Swimming and club name is Cleveland Swim Institute. The course is called "SAFE SPORT FOR ATHLETES". Non-member athletes may access the course at <https://learn.usaswimming.org/>.

- **Safe Sport for Parents – Athlete Protection Education.** USA Swimming's online course for parents provides an introduction to Safe Sport, abuse, and reporting information. More information and access to the course can be found at <https://learn.usaswimming.org/>. Non-members of USA Swimming can simply create an account to access the course. When registering, the LSC is Lake Erie Swimming and club name is Cleveland Swim Institute. The course is called "SAFE SPORT FOR PARENTS." If you are a USA Member, you may access the course at www.usaswimming.org/learn.
- **Mandatory APT Training for ALL Athletes 18 and older.** USA Swimming requires all athletes 18 and older to complete Athlete Protection Training (APT) on an annual basis. Adult athletes must take THREE Courses AND complete a survey after each course - more information at [APT Requirement FAQ's](#). Athletes 18 and older may access the APT training at www.usaswimming.org/apt.

SAFE SPORT REPORTING

- [Deal with a Safe Sport Concern](#)
- Contact USA Swimming at (719) 866-4578
- Contact the U.S. Center for Safe Sport to make a report. Call (720) 524-5640 or file an [online report](#).
- Find more information at <http://www.uscenterforsafesport.org/>
